- 11 2. The 2017-2018 Biennial Budget Ordinance 18409, Section 113

- 13 3. Attachment A to Ordinance 18261 contains the implementation
14 guidelines for the WaterWorks grant program, including the project
15 criteria, eligibility, project selection process and administration of grants.
16 The implementation guidelines provide for a grant ranking committee to
17 review, rank and recommend projects for funding and for the wastewater
18 treatment division of the department of natural resources and parks to
19 administer and staff the program.

20 4. As described in Attachment A to Ordinance 18261, projects approved
21 for funding must meet eligibility criteria for water quality improvements,

23 King County executive the projects to be approved for funding, based
24 upon the eligibility criteria and ability of the applicants to demonstrate
25 water quality benefits and implementation strength.

26 5. The grant ranking committee convened seven times in 2017 and 2018
