Summary of Qualifications

- ◆ Skillful negotiator and strategic problem solver...highly motivated, goal oriented project manager.
- ◆ Effective change and product development facilitator in highly regulated business environment.
- ◆ Able to tailor communications of complex concepts to disparate groups.
- ◆ Culturally sensitive: extensive travel to Europe, Asia, Caribbean, Canada, Mexico and all regions of USA.

Professional Accomplishments

STRATEGIC BUSINESS TRANSACTIONS

- Prepared effective contracts, corporate governance documents and conflict of interest opinions for eleven diverse parent/affiliate/subsidiary corporations to support complex merger, acquisition and downsizing activities.
- Established joint ventures for major investments in technology and facilitated website development.
- Co-founded, managed and developed personal security alarm sales business.
- Successfully negotiated approval with regulator for experimental product offering.
- Handled major real estate and commercial lease transfers and resolved sublease disputes without litigation.

RISK MANAGEMENT

- Assessed employee/client training needs and developed informational materials and training programs on Corporate Compliance Programs, Anti-Trust, Insurer Anti-Fraud Initiatives, Outside Counsel Billing and Procedures, Contract Negotiation and Drafting, Privacy Rights and Attorney/Client Privilege.
- Managed compliance of trademark, service mark, and other intellectual property matters for licensee of nationally recognized trade name.
- Directed computerization of contract tracking system and Human Resources Department.
- Negotiated cost-effective resolution of 1000+ liability claims including innkeeper's liability, elevator accidents, construction, food poisoning, embezzlement, medical malpractice and negligent hiring claims.
- Resolved insurance coverage dispute with carrier that led to recovery of over \$200,000 in defense costs.
- Established a record of successful outcomes in product liability cases for Fortune 500 companies.
- Provided primary legal support for numerous audits and investigations minimizing exposure to fines for state and federal contractor.
- Managed recreation facility and food program that complied with all health and safety regulations.

REGULATORY AFFAIRS

- Provided legislative analysis, position statements and other support for lobbyists of multi-state company.
- Successfully challenged regulator actions that exceeded authority granted in legislation.
