## AD TEXT

**METROPOLITAN KING COUNTY  
COUNCIL  
NOTICE OF HEARING  
Proposed Ordinance 2019-0165**

NOTICE IS HEREBY GIVEN, that a public hearing will be held before the Metropolitan King County Council, Room 1001, King County Courthouse, Seattle, Washington on the 12th day of June, 2019, at 10:30 A.M., to consider adoption of Proposed Ordinance 2019-0165.

Proposed Ordinance 2019-0165 does the following:

- Makes a determination of the sewer rate for the year 2020 that must be charged in order to meet the monetary requirements (administration, operating, and maintenance, repair and replacement costs) of the County's sewage disposal program. The proposed sewer rate for 2020 is \$45.33 per month per residential customer equivalent (RCE). This is the same as the 2019 rate.
- Sets the capacity charge for sewer connections occurring between and including January 1, 2020 and December 31, 2020. The capacity charge is the fee that is assessed against customers establishing new connections to ensure that those customers bear their equitable share of the cost of new capacity-related sewage facilities necessary to serve them. The proposed capacity charge is \$66.35 per RCE per month for fifteen years. By comparison, the 2019 capacity charge is \$64.50 per RCE per month for fifteen years.
- Authorizes certain affordability provisions in the capacity charge for identified vulnerable populations, including broadening the existing low-income capacity charge reductions for affordable housing to apply to a wider range of housing types, and allowing qualifying low income homeowners, who are eligible for the state property tax exemption for senior residents and disabled persons, to defer payment of the capacity charge through placement of a property lien for the balance owed.

A copy of Proposed Ordinance 2019-0165 will be mailed upon request made to the Clerk of the Council, Room 1200, King County Courthouse, 516 Third Avenue, Seattle, WA 98104, telephone 206-477-1020. It is available on the internet at:
