Subject: Support for Youth Rights Ordinance
Date: Wednesday, July 22, 2020 8:48:24 AM

Dear Council,

I urge you to support The Youth Rights Ordinance before you today. After many years of practicing in King County Juvenile Court, I believe that this bill will greatly help the youth of King County gain the respect and understanding they have been denied. This ordinance will provide a youth the opportunity to consult with a lawyer before being coerced into giving an account of an incident or explaining themselves to law enforcement.

Please feel free to contact me if you have any questions.

Sincerely,
George Yeannakis
