Threshold Determination

The responsible official finds that the above-described proposal does not pose a probable significant adverse impact to the environment. This finding is made pursuant to RCW 43.21C, KCC 20.44 and WAC 197-11, after reviewing the environmental checklist and other information on file with the lead agency, considering the extent to which the proposed action will cause adverse environmental effects in excess of those created by existing regulations, and considering mitigation measures which the agency or the proponent will implement as part of the proposal. The responsible official finds this information reasonably sufficient to evaluate the environmental impact of this proposal and conclude the proposed action will not have a significant impact to current or continued use of the environment.

THIS DETERMINATION OF NON-SIGNIFICANCE (DNS) is issued under Washington Administrative Code (WAC) 197-11-340(2). The lead agency will not act on this proposal until after **February 12, 2021**. Comments must be received by King County Department of Local Services – Permitting Division prior to **4:00 PM** on that date.

For additional information, please contact the proponent’s contact or the responsible official listed above.
