## Ordinance 19265

**Proposed No.** 2021-0109.2 **Sponsors** Kohl-Welles AN ORDINANCE related to COVID-19; making a 1 supplemental appropriation of \$17,930,000 to several 2 general fund agencies; making a supplemental 3 4 appropriation of \$75,262,000 to several non-general fund agencies; making a supplemental appropriation of 5 \$1,130,000 to a capital improvement fund; amending the 6 7 2021-2022 Biennial Budget Ordinance, Ordinance 19210, Sections 18, 23, 31, 32, 60, 63, 100, 102, 106, 115, 121 and 8 129, as amended, and Attachment A, as amended; and 9 declaring an emergency. 10 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY: 11 SECTION 1. Findings: 12 A. On February 29, 2020, the Governor of Washington state declared a state of 13 emergency in all counties in Washington and directed that the plans and procedures of the 14 15 Washington State Comprehensive Emergency Management Plan be implemented as a result of coronavirus disease 2019 ("COVID-19"). 16 B. COVID-19 is a respiratory disease that can result in serious illness or death 17 18 and can easily spread from person to person. The World Health Organization has classified COVID-19 as a pandemic. 19

20	C. On March 1, 2020, King County executive Dow Constantine signed a
21	proclamation of emergency enabling "extraordinary measures" to respond to the COVID-
22	19 outbreak. On March 3, 2020, the council passed Motion 15610, affirming the
23	executive's proclamation of emergency.
24	D. On March 23, 2020, as a result of the continued worldwide spread of COVID-
25	19, its significant progression in Washington state, and the high risk it posed to our most
26	vulnerable populations, the Governor issued a "Stay Home - Stay Healthy" order
27	prohibiting, with limited exceptions, all people in Washington state from leaving their
28	homes or participating in social, spiritual and recreational gatherings of any kind
29	regardless of the number of participants, and required all nonessential businesses in
30	Washington state to cease operations except for performing basic minimal operations.
31	The order was extended twice, with the last extension expiring May 31, 2020.
32	E. On May 31, 2020, the Governor reiterated that a state of emergency continued
33	to exist but amended the "Stay Home - Stay Healthy" proclamation and renamed it the
34	"Safe Start - Stay Healthy" proclamation. The Governor ordered that, except as provided
35	in the phased county reopening plan, all other provisions of the state of emergency
36	remained in force.
37	F. On June 5, 2020, King County entered Modified Phase 1 of the Safe Start
38	Plan. Then, on June 19, 2020, King County entered Phase 2 of the Safe Start Plan.
39	G. On July 28, 2020, the Governor paused counties progressing in the reopening
40	phases under the state's Safe Start plan due to continued rise of cases and spread of
41	COVID-19 statewide.
42	H. On November 15, 2020, in response to a doubling of statewide COVID-19

cases between late October and mid-November 2020, the Governor imposed new
restrictions on, among other things, indoor gatherings, dining and fitness. The Governor
originally ordered these restrictions to remain in place through December 14, 2020,
before extending the restrictions twice to apply through January 11, 2021.
I. On December 11, 2020, the U.S. Food and Drug Administration issued the first
emergency use authorization for a vaccine to prevent COVID-19, which allowed the
vaccine to be distributed in the United States. Days later, the first doses of the COVID-
19 vaccine arrived in King County, which were administered to front-line healthcare
workers. As of March 19, 2021, the county's vaccination efforts have resulted in the
administration of approximately 535,000 doses of COVID-19 vaccine.
J. On January 5, 2021, the Governor announced "Healthy Washington - Roadmap
to Recovery," a COVID-19 phased recovery plan. Under this plan, a region in the state
may move into a new phase, forward or backward, depending upon whether metrics
measuring the region's community disease levels and health system capacity meet state
Department of Health criteria.
K. On March 22, 2021, the Puget Sound region, including King County, moved
to Phase 3 of the plan, which permits indoor dining, retail, fitness and worship services at
fifty percent capacity, as well as at-home social gatherings limited in size.
L. As further described in this section, COVID-19 and the related preventative
measures necessitated by the pandemic, including those outlined in the executive orders
summarized above, have caused and continue to cause extraordinary, unprecedented, and
devastating economic effects in King County and throughout Washington.

M. The federal government has provided the following relief in response to the

1. On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act ("the CARES Act"), a \$2.2 trillion federal stimulus package, became law. The CARES Act provides relief to state and local governments through a variety of federal agencies and programs. Certain of these relief programs apply to the county, and the county has used the moneys provided by these programs to either pay or reimburse, or both pay and reimburse, the county for necessary expenditures incurred due to the public health emergency, including expenses preparing for, responding to, mitigating impact of and preventing COVID-19; 2. On December 27, 2020, the Coronavirus Response and Relief Supplemental Appropriations Act ("CRRSAA"), a \$900 billion federal stimulus package, became law. CRRSAA funding programs include Federal Transit Administration transit infrastructure grants, the U.S. Department of the Treasury's Emergency Rental Assistance Program and the Department of Health and Human Services Public Health and Social Services Emergency Fund. Several county departments are eligible to either receive or administer, or both, those moneys, which recipients may use to pay for, or to reimburse, expenses related to the ongoing COVID-19 health emergency. As part of CRRSAA, the U.S. Department of the Treasury awarded the county Emergency Rental Assistance moneys. Not less than ninety percent of awarded moneys must be used for direct financial assistance, including rent, rental arrears, utilities and home energy costs arrears, and other expenses related to housing. Remaining moneys are available for housing stability services, including case management and other services intended to keep households stably housed, and administrative costs. Moneys generally expire December 31, 2021;

trillion federal stimulus package, became law. The ARPA provides relief to state and local governments, including the county, through a variety of federal agencies and programs. Under Section 9901 of the ARPA, a new Section 603 is added to Title VI of the Social Security Act to provide the Coronavirus Local Fiscal Recovery ("CLFR") fund to mitigate the fiscal effects stemming from the public health emergency with respect to COVID-19. The county will receive a direct allocation of CLFR moneys. As provided for under Section 9901, CLRF moneys must be used: to respond to the COVID-19 public health emergency or its negative economic impacts, including assistance to households, small businesses and nonprofit organizations, or aid to impacted industries, such as tourism, travel and hospitality; to respond to workers performing essential work during the COVID-19 public health emergency by providing premium pay to eligible county workers that are performing that essential work, or by providing grants to eligible employers that have eligible workers who perform essential work; for the provision of government services to the extent of the reduction in revenue of such county due to the COVID-19 public health emergency relative to revenues collected in the most recent full fiscal year of the county before the emergency; or to make necessary investments in water, sewer or broadband infrastructure. N. In response to the state and county declarations of emergency, as well as guidance from the local health officer and state Department of Health, the county was required to and continues to take necessary emergency protective measures to eliminate

3. On March 11, 2021, the American Rescue Plan Act ("the ARPA"), a \$1.9

or lessen immediate threats to lives, public health and safety. These measures are directly

related to the emergency and include the county's response to mitigate community transmissions of COVID-19. The actions taken by the county to prevent, prepare for, mitigate against and respond to the public health emergency are reasonable, necessary and prudent given the county's needs and the information available at the time, and in accordance with federal regulations and cost principles. Internal policies and procedures, including procurement guidelines to support the work and expenditures made were followed. All expenditures made were in carrying out the legal responsibilities of the county.

- O. As recognized in Ordinance 19191, passed by this council on November 10, 2020, communities historically disadvantaged by racism, sexism and LGBTQI+ discrimination have suffered disproportionate health and economic impacts from the COVID-19 pandemic, and greater challenges to remaining healthy. Subsequent studies and reporting reaffirm the data cited in that prior ordinance. For instance, the Centers for Disease Control and Prevention, and public health Seattle & King County have continued to report that racial and ethnic minority groups are disproportionately represented among COVID-19 cases, hospitalizations and deaths.
- P. The council finds that relief is necessary for every community in the county, particularly those historically disadvantaged communities that are more-adversely impacted by COVID-19 due to continuing discrimination and the lingering effects of past discrimination. The council further finds that it is appropriate and necessary for the county to consider and address strategies, in program implementation and awards or provider selections, to address those historically disadvantaged communities that have been disproportionately impacted by inequities and discrimination, in order to respond to

the disproportionate health and economic impacts described in this section. The
strategies should take into account the dire need to provide relief as quickly as possible
during this crisis and may include, by way of example, recruitment and outreach for
potential subcontractors, grant recipients and other beneficiaries, as well as consideration
of whether individuals and organizations are members of, provide services to or are
located in historically disadvantaged communities in distributing limited benefits to
qualified applicants.
Q. The council finds that COVID-19 leave costs as well as payroll costs,
including benefits, for employees that have been substantially dedicated to addressing the
impacts of the COVID-19 public health emergency or who are reassigned to
responsibilities mitigating the impacts of COVID-19, across any and all departments are
a substantially different use from the expected use at the time of original appropriation.
The council finds that such expenditures are necessary and reasonable for funding
through the federal Coronavirus Relief Fund. The council finds it is therefore appropriate
that COVID-19 leave costs and payroll costs, including benefits, for those employees
who have been reassigned or substantially dedicated to COVID-19 mitigation efforts be
paid from the federal Coronavirus Relief Fund, currently held in the grants subfund.
R. The council has authority to enact an emergency appropriation ordinance as
set forth in Section 470.20 of the King County Charter.

#### ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Carahsoft OBO King County ITD (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign, Inc. (DocuSign) electronic signing system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

## Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

## Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of a DocuSign envelope instead of signing it. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

## All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
