**Proposed Resolution FCD 2021-06: A RESOLUTION approving an interlocal agreement with King County regarding flood protection projects and services.**

Since its inception the District has partnered with King County through an Interlocal Agreement for the performance of the work set out in the District’s annual work plan and budget. The ILA has not been substantively amended in a number of years, and the parties desired to update certain terms to clarify terms and update provisions. This Spring, the District and County formed a workgroup and developed proposed amendments; by this Resolution the Board would approve of and authorize the Chair to execute the amendment.
