AN ORDINANCE authorizing the vacation of a portion of a 40-foot alley between 64th Avenue South and 65th Avenue South rights-of-way, File V-2561; Petitioner: MT Development LLC.

### STATEMENT OF FACTS:

1. A petition has been filed requesting vacation of a portion of a 40-foot alley between 64th Avenue South and 65th Avenue South rights-of-way hereinafter described.
2. The department of transportation notified the various utility companies serving the area and has been advised that easements will not be required at this time. Easements will be attained during the development process.
3. The department of transportation records indicates that King County has not been maintaining the subject portion of 40-foot alley between 64th Avenue South and 65th Avenue South rights-of-way. The records indicate that no public funds have been expended for its acquisition.

4. The department of transportation considers the subject portion of the rights-of-way useless as part of the county road system and believes the public would benefit by the return of this unused area to the public tax rolls.

5. The rights-of-way are classified as “C-Class” and, in accordance with King County Code 14.40.020, the compensation due King County is based on fifty percent of the assessed value of the subject rights-of-way, which was determined from records of the department of assessments. King County is in receipt of \$23,697.73 from the petitioner.

Due notice was given in the manner provided by law and a hearing was held by the office of the hearing examiner on the 14th day of November, 2007.

In consideration of the benefits to be derived from the subject vacation the council has determined that it is in the best interest of the citizens of King County to grant said petition.
