Limitations in closed basins. In a closed basin, as defined by chapters 173-507, 173-503, 173-509, 173-510 and 173-515 WAC, an application for further segregation may not be submitted within five years after recording, if the application relies on a public water system created to provide domestic water that uses an exempt well under RCW 90.44.050 or proposes an additional exempt well and the proposed segregation will result in the creation of more than six lots within the boundaries of the original subdivision or short subdivision.

SECTION 2. Ordinance 13694, Section 42, and K.C.C. 19A.08.070 are each hereby amended to read as follows:

Determining and maintaining legal status of a lot.

A. A property owner may request that the department determine whether a lot was legally segregated. The property owner shall demonstrate to the satisfaction of the department that, a lot was created, in compliance with applicable state and local land segregation statutes or codes in effect at the time the lot was created, including, but not limited to, demonstrating that the lot was created:

1. Prior to June 9, 1937, and ~~((the lot))~~ has been:

2. Through a review and approval process recognized by the county for the creation of four lots or less from June 9, 1937, to October 1, 1972, or the subdivision process on or after June 9, 1937;
3. Through the short subdivision process on or after October 1, 1972; or
4. Through the following alternative means allowed by the state statute or county code:

- e. ~~((U))~~ upon a court order entered between August 11, 1969, to July 1, ~~((1947))~~ 1974;
- f. ~~((T))~~ through testamentary provisions or the laws of descent after August 10, 1969;
- g. ~~((T))~~ through an assessor's plat made in accordance with RCW 58.18.010 after August 10, 1969;
- h. ~~((A))~~ as a result of deeding land to a public body after April 3, 1977, and that is consistent with King County zoning code, access and board of health requirements so as to qualify as a building site pursuant to K.C.C. 19A.04.050; or
- i. ~~((B))~~ by a partial fulfillment deed pursuant to a real estate contract recorded prior to October 1, 1972, and no more than four lots were created per the deed.

4. Historic tax records or other similar evidence, describing the lot as an individual parcel. The department shall give great weight to the existence of historic tax records or tax parcels in making its determination.

C. Once the department has determined that the lot was legally created, the department shall continue

to acknowledge the lot as such, unless the property owner re((-)aggregates or merges the lot with another lot or lots in order to:

1. Create a parcel of land that would qualify as a building site, or
2. Implement a deed restriction or condition a covenant or court decision.

D. The department's determination shall not be construed as a guarantee that the lot constitutes a building site as defined in K.C.C. 19A.04.050.
