AN ORDINANCE authorizing the vacation of a portion of 104th Avenue SE, File V-2429. Petitioner: William Goodwin.

STATEMENT OF FACTS:

1. A petition has been filed requesting vacation of those portions of 104th Avenue SE hereinafter described.
2. The department of transportation notified the various utility companies serving the area and has been advised that easements have been secured within the vacation area.
3. The department of transportation records indicate that King County has been maintaining 104th Avenue SE. The records indicate that no public funds have been expended for its acquisition.
4. A portion of the subject vacation area was deeded to King County by quit claim deed under recording number 1023734, records of King County, Washington.
5. The Washington state Department of Transportation conveyed a portion of the subject right-

of-way to King County by quitclaim deed under recording number 20010809001147, records of King County, Washington.

6. The department of transportation considers the subject portion of the right-of-way useless as part of the county road system and believes the public would benefit by the return of this unused area to the public tax rolls.

7. The right-of-way is classified as "B-Class" and, in accordance with K.C.C. 14.40.020, the compensation due King County is based on seventy-five percent of the assessed value of the subject right-of-way, which was determined from records of the department of assessments. King County is in receipt of \$5,242.03 from the petitioner.

Due notice was given in the manner provided by law and a hearing was held by the office of the hearing examiner on the 14th day of April, 2004.

In consideration of the benefits to be derived from the subject vacation, the council has determined that it is in the best interest of the citizens of King County to grant said petition.
