BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. Findings:

A. Section 220.40 of the King County Charter requires the council to adopt by ordinance rules of the procedure governing the time, place and conduct of meetings.

B. Consistent with the county charter, the council adopted by ordinance rules of procedure which are

codified in K.C.C. chapter 1.24, and passed motions related to the organization and administration of the council.

C. The rules of procedure and the organizational motion have been amended from time to time to reflect changes desired by the council.

D. Because the council is reorganizing the council and its committees by Motion XXXX (Proposed Motion 2024-0017), effective January 9, 2024, including modifying committees, committee chair and vice-chair positions and duties, this ordinance must be enacted as an emergency ordinance in order to be effective and ensure that the regular meeting times of the council's committees are effective at the same time as the reorganization of the council.

SECTION 2. Ordinance 11683, Section 2, as amended, and K.C.C. 1.24.015 are hereby amended to read as follows:

The chair of the council has the following powers and duties:

A. The chair shall:

1. Call the council to order at the hour appointed for meeting and, if a quorum is present, shall cause the minutes of the previous meeting to be approved;

2. Proceed with the order of business; and

3. Adjourn the council upon a motion to adjourn approved by a majority of members present;

B. The chair shall preserve order and decorum and in the interest of efficiency may impose time and subject matter limits for testimony and comment given by the public and members of the council;

C. The chair shall promote efficient operation of the council, which shall include setting the agenda and expediting parliamentary debate or, if there is no objection from any other member, expediting the passage of routine motions. The chair's act of adding to, removing from or taking out of order an item on a distributed and posted agenda may be appealed to the full body by any two members under Rule 5.~~((D))~~C., K.C.C. 1.24.045.~~((D))~~C. The chair shall discourage activities that are dilatory or disruptive. The chair shall endeavor to facilitate

the will of the majority of members present at all times;

D. The chair may speak to points of order, inquiry or information in preference to other members.

Upon a ruling of the chair on a point of order, the chair shall allow any two members to immediately request that the decision be placed before the body. If a majority of members present agree to the ruling of the chair, the business of the council must proceed without further debate. If a majority of the members present do not support the ruling of the chair, the chair shall immediately allow a procedural motion to dispense with the issue in question, proceeding until a decision of the council is secured and the business of the council is allowed to proceed;

E. The chair shall retain legislation related to collective bargaining, including appropriation ordinances limited solely to costs associated with implementation of the collective bargaining, in the control of the council and refer all other legislation to committees unless there is an objection to a referral. If there is an objection by a member, the chair's referral will stand unless a majority of the members present vote to support the objection. If the objection is sustained, the chair shall refer the legislation to another committee, unless there is an objection to the referral.

F. Any motion that proposes to censure a councilmember for violating the council's antiharassment policy shall be referred to the employment and administration committee;

G. The chair shall introduce all legislation relating to ~~((land use appeals))~~, road vacations, ~~((plat applications,))~~ current use assessments, and other similar land use decisions. The chair shall introduce all legislation relating to collective bargaining, including appropriation ordinances limited solely to costs associated with implementing the collective bargaining agreement. If recommended by action of the employment and administration committee, the chair shall introduce any motion that proposes to censure a councilmember for violating the council's antiharassment policy, unless the chair is the subject of the motion; and

H. The chair shall provide copies to all councilmembers of all official communications and requests for

council action addressed to the chair from the executive, the assessor, the presiding judge of the district or superior court or the prosecuting attorney.

SECTION 3. Ordinance 11683, Section 4, as amended, and K.C.C. 1.24.035 are hereby amended to read as follows:

A.1.a. Except as otherwise provided in this subsection, the time of regular meetings of the council is 1:30 p.m. on the first, second, third, and fourth Tuesdays of each month. b. A committee chair may call a special committee meeting ~~((may not be called without))~~ with either the prior written consent of the council chair or the consent of a majority of the members of the committee. This subsection A.1.b. does not apply to special meetings of the budget and fiscal management committee for purposes of considering the county executive's budget proposal for the upcoming fiscal period, which shall be called by the chair of the budget and fiscal management committee.

2.a. All regular meetings of the King County council and the council's committees, except for employment and administration committee meetings, shall be held in the council chambers on the tenth floor of the King County Courthouse in Seattle, Washington. All regular meetings of the employment and administration committee meetings shall be held in the southwest conference room on the twelfth floor of the King County Courthouse in Seattle, Washington.

b. Whenever, due to an emergency, as defined in K.C.C. 12.52.010, it is imprudent, inexpedient, or impossible to conduct the affairs of the council at the regular or usual place or places, the council may meet at any place within or without the territorial limits of the county on the call of the chair or any two members of the council. After an emergency relocation, the affairs of the council shall be lawfully conducted at the emergency

location for the duration of the emergency.

B.1. Except as provided in subsection B.2. of this rule, the times for regular and special committee meetings are as follows:

2. Before convening in executive session, the chair of the council or committee shall publicly announce the purpose for excluding the public from the meeting place and the time when the executive session will be concluded. The executive session may be extended to a stated later time by announcement of the chair.

F.1. A legal analysis of the Open Public Meetings Act by the office of the Attorney General, 2010 AGO No. 9, has advised that when a committee meeting is attended by a quorum of the governing body it must be noticed not only as a committee meeting but also as a meeting of the governing body. For this reason, all meetings of council committees shall be noticed both as committee meetings and as council meetings whose agenda is limited to the committee business.

2. In all committee meetings, which are council meetings in accordance with subsection F.1. of this rule, only the rules and procedures applicable to committees apply, and not those rules and procedures applicable to full council meetings. This includes, but is not limited to:

b. attendance shall be recorded only for members serving on the committee, and the quorum for the meeting shall be the committee quorum; and

If a member objects to proceeding because of the lack of a quorum, the committee may not conduct official business, except to conduct a hearing. The appointment or use of alternate members is not allowed for a standing committee. Any member of the council may attend and participate in any committee meeting by asking questions and offering comments on any matter before the committee. Only members of the committee may exercise parliamentary rights in the committee, including, but not limited to, raising points of order, making motions, and voting;

B. During its consideration of a vote on legislation, the deliberations of a committee must be open to the public;

C.1. Except for a regional committee, legislation may be reported out of committee by less than a quorum of the committee, subject to the provisions of subsections C.2. and C.3. of this rule, unless a member present requests a vote on the recommendation by a quorum of the committee. If a member so requests, the legislation may not be reported out of the committee at that meeting without an affirmative vote by a majority of the quorum of the committee.

2. The committee's recommendation on a piece of legislation reported out of committee by less than a quorum of the committee is not effective unless a majority of the committee members support the recommendation as evidenced either by an affirmative vote at the committee meeting or, if the member were excused, in accordance with subsection C.3. of this rule.

3. If a member is excused, the member may electronically notify the committee clerk, by the end of the day of the committee meeting, of the member's vote in support of the recommendation;

D. Legislation must be reported to the council from a standing committee with one of the following recommendations:

1. Do pass;
2. Do pass -- consent;

Each vote roll call form must be preserved as prescribed by the clerk of the council. On any matter, including but not limited to an amendment, a vote must be taken by oral roll call if requested by a member of the committee. A standing committee may not vote by secret ballot on an issue;

F. The rules and procedures contained in this chapter must be observed, when applicable, in all proceedings of a standing or special committee of the council;

G.1. The chair of the committee shall set the agenda for the committee, including whether and when to include on a specific agenda for action proposed legislation referred to the committee by the council chair.

2. The chair shall set an initial agenda not less than six business days in advance of a committee meeting and the committee clerk shall post and electronically distribute such initial agenda not less than five business days in advance of a committee meeting. If the chair determines that revisions to the agenda are needed after posting and distribution, the chair should expeditiously direct that a revised agenda be posted and electronically distributed.

3. A change to the last distributed and posted agenda made at a meeting must be announced by the chair and is subject to appeal to the full committee present by any two members of the committee. A majority

of the members present shall decide an appeal under this subsection;

H. Notice of a special meeting must be made in compliance with the Open Public Meetings Act of 1971, chapter 42.30 RCW. A special meeting may be called only when:

1. There is time-sensitive legislation or information that cannot be presented and considered in the ordinary committee meeting schedule;
2. A joint meeting of two or more committees is necessary to consider a matter; or
3. An unusual and extreme workload of a committee does not allow its full consideration during the ordinary committee meeting schedule; and

I. A committee may not recess a meeting for longer than eight hours unless consent is given consistent with Rule 6.G., K.C.C. 1.24.055.G. ~~((Such a recess constitutes a special meeting solely for the purpose of counting the six discretionary special meetings provided for in this rule.))~~ If recess is until the next day but less than twenty-four hours, then the maximum possible notice must be given. If recess is for greater than twenty-four hours, then at least twenty-four hours' notice must be given.

SECTION 5. Ordinance 11683, Section 7, as amended, and K.C.C. 1.24.065 are hereby amended to read as follows:

If a majority of votes present agrees to the ruling of the chair, the business of the committee must proceed without further debate. If a majority of the votes present does not support the ruling of the chair, the chair shall immediately allow a procedural motion to dispense with the issue in question, proceeding until a decision of the committee is secured and the business of the committee is allowed to proceed; and

C. Quorum, notice, and voting. Members representing six and one-half votes constitute a quorum of a regional committee. In the absence of a quorum, the committee may perform all committee functions except for voting on legislation or a work program. Notice of all regular and special meetings must be provided as specified in the Open Public Meetings Act of 1971, chapter 42.30 RCW, and notice must be given to members of the committees, including members who at any time during the calendar year have served on the committee or have been designated by their appointing authority to receive notice. For each piece of legislation voted on in committee, the committee clerk shall prepare vote roll call form that shall record the recommendation of the committee, and shall include the type and number of the legislation, the version of the legislation, number of the "ayes" and "nos" and the names of the members voting for and against, as well as the names of the members excused. Each vote roll call form must be preserved as prescribed by the clerk of the council. There may not be voting by proxy.

D.1.a. Referral to the regional transit committee. The chair of the council shall refer to the regional transit committee countywide policies and plans related to the transit services formerly provided by the municipality of metropolitan Seattle. If a standing committee of the council is considering an issue that, upon the standing committee's subsequent review, the standing committee believes should be considered as a countywide policy or plan related to transit, then the standing committee shall so inform the chair of the

council. The chair of the council may then determine whether the policy or plan is to be referred to a regional committee.

b. Referral to the regional water quality committee. The chair of the council shall refer to the regional water quality committee countywide policies and plans related to the water quality services formerly provided by the municipality of metropolitan Seattle. If a standing committee of the council is considering an issue that, upon the standing committee's subsequent review, the standing committee believes should be considered as a countywide policy or plan related to water quality, then the standing committee shall so inform the chair of the council. The chair of the council may then determine whether the policy or plan is to be referred to a regional committee.

2. Regional policies committee work program. The regional policies committee shall establish its subject matter through a work program adopted by a majority of those committee members present and voting, with no fewer than three and one-half affirmative votes, though the work program shall be limited as provided by charter or ordinance, including but not limited to, subsection K. of this rule. Once the work program is adopted, all regional policies and plans related to the subject matter must be referred to the committee by the council.

3. Provisions applicable to referrals by council chair and rereferrals. Referrals by the council chair or rereferrals are subject to the procedures, rights, and constraints of Rules 13, 17 and 26, K.C.C. 1.24.125, 1.24.165 and 1.24.255.

E. Time for review - committees. A regional committee shall review legislation referred to it by the county council within one hundred twenty days of the legislation's referral or such other time as is jointly established by the council and the committee, which shall be confirmed in the form of a motion adopted by the council. However, the committee may request, and the county council may grant by motion, additional time for review. If the committee fails to act upon the proposed policy or plan within the established time limit, the county council may adopt the proposed policy or plan upon six affirmative votes.

F. Time for review - council. The council shall amend, adopt, or defeat the legislation referred to a regional committee within ninety days after receipt of an initial regional committee recommendation.

G. Adoption.

1. A proposed policy or plan recommended by a regional committee may be adopted, without amendment, by the county council by five affirmative votes.

2. A proposed policy or plan that differs from the policy or plan recommended by a regional committee may be adopted by the county council by six affirmative votes after the regional committee has had the opportunity to review all county council amendments.

H. Amendments and rereferral.

1. If the county council votes before the final passage to amend a proposed policy or plan that has been reviewed or recommended by a regional committee, the proposed policy or plan, as amended, must be referred to the appropriate regional committee for further review and recommendation.

2. The timeline for the committee's review after rereferral may not be greater than sixty days. However, the committee may request, and the county council may grant by motion, additional time for review. The committee may concur in, dissent from or recommend additional amendments to the policy or plan.

3. The council shall amend, adopt, or defeat the legislation within sixty days after receipt of a regional committee recommendation following rereferral by the council.

I. Regional committee consideration of other regional issues. The chair of the council may request that one or more regional committees examine and comment upon other pending issues that are not countywide policies or plans but would benefit from interjurisdictional discussion. The issues may include, but are not limited to, operational, organizational or implementation measures for countywide plans and policies. This

type of regional committee analysis and comment is not subject to the mandatory procedural requirements of Section 270.30 of the King County Charter and the county council may need to act on such issues before comment from the regional committee.

J. Regional committee governed by King County Charter, King County Code, other rules and procedures. The regional committee is governed by the King County Charter, the King County Code and, except to the extent expressly provided otherwise, the rules and procedures established for standing and special committees in this chapter.

K. Role of regional committees.

1. A regional committee shall focus on planning and policy setting in program areas where it has been determined that regional service or facility planning is required and in area where it is agreed the opportunity and need for the planning exist. A regional committee is not responsible for routine review and recommendation on operational and administrative matters such as contracts, budgets, appropriations, and fares and rates, formerly performed by the council of metropolitan Seattle. A regional committee may, however, deal with policies to develop fares and rates within the committee's subject matter area.

2. The regional transit committee shall develop, review, and recommend countywide policies and plans related to the transportation services formerly provided by the municipality of metropolitan Seattle. Plans and policies that must be assigned to the committee include, but are not limited to, the long-range transit system and capital improvement plans, service design, development and allocation policies, financial policies, fare policies, facility siting policy and major facilities siting process, and review and comment upon Regional Transit Authority plans.

3. The regional water quality committee shall develop, review, and recommend countywide policies and plans related to the water pollution control functions formerly provided by the municipality of metropolitan Seattle. Plans and policies that must be assigned to the committee include, but are not limited to, water quality comprehensive and long-range capital improvement plans, service area and extension policies, rate policies,

and the facility siting policy and major facilities siting process.

4. The regional policies committee shall review and recommend regional policies and plans, other than transit and water quality plans, that are within the subject matter area for the committee. Also, the committee may develop proposed policies and plans on issues of countywide significance but, unless referred to the committee by the county council, the policies and plans are not subject to the procedural requirements of Section 270.30 of the King County Charter. Issues that may be referred to the committee or be the subject of the committee's policy development include, but are not limited to, public health, human services, open space, housing, solid waste management, regional services financial policies, criminal justice, jails and district court services, and regional facilities siting. In addition, the regional policies committee may consider major regional governance transition and consolidation issues, particularly those involving potential changes in organization and responsibilities with other county, city or regional organizations.

L. Policies or plans proposed by regional committees. A regional committee may develop and propose directly to the council, an ordinance or motion adopting, amending or repealing a countywide policy or plan regarding regional transit, water quality, or other countywide policies and plans within the subject matter area of the committee. The proposals must be approved by a majority of the committee members present and voting, with no fewer than three and one-half affirmative votes. For purposes of this subsection, "the subject matter area" of the regional policies committee includes matters in the committee's adopted work program. The regional committee chair shall ensure that the approved proposal is introduced in accordance with Rule 9.B., K.C.C. 1.24.085.B. as soon as possible. Within one hundred twenty days of introduction by the committee, the council or a standing committee shall consider the proposed legislation and take such action on the proposed legislation as the council or standing committee deems appropriate, including approval, rejection, amendment and rereferral, postponement, or any other action of record during a council or standing committee meeting. Within five calendar days following council or standing committee action, the clerk of the council or the standing committee shall notify the vice-chair of the committee of the action taken. If the council amends the

proposed legislation, the procedures described in subsection H. of this rule shall be followed, except that the council's duty to act on the legislation under subsection H.3. of this rule shall be satisfied by approval, rejection, amendment, and rereferral, postponement or any other action of record taken during a council or standing committee meeting within sixty days following receipt of the legislation from the regional committee.

M. Meetings to assist regional committees. To assist each regional committee in evaluating countywide policies and plans, the committee may conduct public meetings and hearings and request briefings and other information from ((citizens)) residents, county, state, and local agencies, business entities, and other organizations.

SECTION 6. Ordinance 11683, Section 9, and K.C.C. 1.24.085 are hereby amended to read as follows:

A. All legislative proposals submitted to the King County council by the executive shall be accompanied by a completed Legislative Review Form in the form of Attachment A to Ordinance 19651, which may be amended in accordance with this section. Amendments to Attachment A to Ordinance 19651 shall be made by the clerk of the council, in consultation with the office of the executive's chief of staff. The clerk of the council shall retain an electronic copy and provide an electronic copy to all councilmembers, the council chief of staff, and the council chief policy officer. In addition, all legislative proposals involving the collective bargaining or appropriations ordinances limited solely to the costs associated with the implementation of collective bargaining shall be accompanied by a summary of the legislation that includes the current costs and five-year implementation costs as well as changes to working conditions and any other substantive changes compared to prior agreements.

B. Upon the electronic receipt of proposed legislation from the executive, the assessor, the presiding judge, the prosecuting attorney, the director of elections ((or)), a councilmember, or, in accordance with Rule 7.L., K.C.C. 1.24.065.L., a regional committee, the clerk of the council shall assign a proposed number to the legislation. The clerk may make formatting and nonsubstantive revisions in form and style to proposed legislation before first reading and shall indicate on the revised legislation that the legislation is revised by the

clerk and the date of the revision.

C.
