AN ORDINANCE authorizing the vacation of a portion of 114th Avenue SE and SE 172nd Street File V-2472. Petitioner: Glacier LLC.

1. A petition has been filed requesting vacation of that portion of 114th Avenue SE and SE 172nd Street hereinafter described.
2. The department of transportation notified the various utility companies serving the area and has been advised that easements were not required within the vacation area.
3. The department of transportation records indicate that King County has not been maintaining 114th Avenue SE and SE 172nd Street. The records indicate that no public funds have been expended for its acquisition.
4. The department of transportation considers the subject portion of the right-of-way useless as part of the county road system and believes the public would benefit by the return of this unused area to the public tax rolls.

5. The right-of-way is classified as "C-Class" and, in accordance with K.C.C. 14.40.020, the compensation due King County is based on fifty percent of the assessed value of the subject right-of-way, which was determined from records of the department of assessments. King County is in receipt of \$1,419.00 from the petitioner.

Due notice was given in the manner provided by law and a hearing was held by the office of the hearing examiner on the 4th day of August, 2004.

In consideration of the benefits to be derived from the subject vacation, the council has determined that it is in the best interest of the citizens of King County to grant said petition.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. The vacation approved by this ordinance is subject to the following conditions:

A. Vacation of the right-of-way authorized by this ordinance shall not become effective until one of the following events has occurred:

1. A cashiers check for \$15,046.64 from the petitioner payable to the King County Treasury has been received as additional compensation for the vacated right-of-way; or

2. The Glacier View Binding Site Plan (DDES file nos. B02L1919 and B02DB003) has been filed for record containing a right-of-way dedication of 43,000 square feet, more or less.

B. Upon recording of the Glacier View Binding Site Plan referenced above, the petitioner shall be refunded any sums previously paid as compensation for the vacated right-of-way. This amount shall include the \$1,419.00 documented in exhibit no. 14 as receipt no. 59365 dated March 17, 2004.

C. If neither of the pre-effective contingencies stated in condition no. 1 have been satisfied by December 31, 2004, the approval conferred hereunder shall expire and the subject vacation shall become null and void.
