

parks including, but not limited to, those within the proposed district boundaries, and

WHEREAS, King County has made substantial investments in the infrastructure of parks within the proposed district boundaries and wishes to facilitate citizen initiatives that would provide methods and funding to keep parks open for public use, and

WHEREAS, the metropolitan parks task force has recommended that the county refocus its long-term vision for its park system and seek new ways of doing business, and

WHEREAS, the metropolitan King County council, in May 2002, identified a series of strategies to address the fiscal crisis in the parks, including the exploration of all reasonable alternatives to keep county parks and recreational facilities open to the public, and

WHEREAS, chapter 36.69 RCW provides that the council shall designate the name of the proposed district and eliminate any lands from its boundaries that it finds will not be benefited by inclusion therein;

NOW THEREFORE, BE IT MOVED by the Council of King County:

A public hearing on the petition for formation of the Finn Hill Park and

Recreation District, as required by RCW 36.69.040, shall be held on August 19, 2002, at 1:30 p.m.
