SECTION 1. Findings: The council makes the following findings of fact:	BEIT	ORDA	INED B	Y THE CO	OUNC	CIL OF KING (COUNTY:		
	SECTI	<u>ON 1.</u>	Finding	gs: The co	uncil	makes the follo	wing findings of fact:		

A. King County government works to ensure the long-term viability of natural resources for its citizens through the preservation of lands for agriculture, forestry and trails. Further, the preservation of natural basins and watersheds for salmon recovery and species protection is a high priority.

B. Ordinance 16084 authorized the county executive to participate with the Port of Seattle in a transaction to acquire the Burlington Northern Santa Fe (BNSF) Eastside Rail Corridor. Public ownership of this vital corridor will preserve the land for use as a trail, as well as its potential for additional transportation options in the future. It is the intent of the council that previous appropriations remain committed for this purpose.

C. The Raging river headwaters, project 315173, proposed to be funded by conservation futures tax (CFT) funds is of equal importance to preserve a vital county natural area from future development by obtaining a conservation easement and development rights on lands surrounding one of the most important rivers for threatened Chinook salmon. This project will also help complete the Mountains to Sound Greenway.

SECTION 2. Ordinance 16312, Section 42, as amended is hereby amended by adding thereto and inserting therein the following:

<u>GENERAL GOVERNMENT GF TRANSFERS</u> - From the general fund there is hereby appropriated to:

General government GF transfer

\$0

PROVIDED THAT:

Of this appropriation, no general fund transfer shall be made to the conservation futures subfund 3151 to support project 315173, Raging river headwaters.

SECTION 3. Ordinance 16312, Section 125, as amended, is hereby amended by adding thereto and inserting therein the following:

From the conservation futures capital improvement project funds a combination of project disappropriations and an appropriation involving the specific projects identified in Attachment A to this

ordinance.
