PREAMBLE:

The existing code on revenue and fiscal regulation, K.C.C. Title 4, was created for the most part in the 1970s and 1980s, though some provisions date back to at least the 1940s. Since the

creation of K.C.C. Title 4, the title has been subject to many amendments each year. The cumulative effect of these amendments has been to create ambiguities and conflicts within the title, which make it difficult to apply the code effectively and predictably. The council determines that a new title on revenue and fiscal regulation, K.C.C. Title 4A, should be created, and material related to revenue and fiscal matters be codified in that title, and all other material in K.C.C. Title 4 that is not appropriate to be codified K.C.C. Title 4A should be codified in the appropriate titles. In this case, the material in K.C.C. chapter 4.16 should be codified in K.C.C. Title 2.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. There is hereby established a new chapter in K.C.C. Title 2. The new chapter shall contain K.C.C. 4.16.005, as recodified by this ordinance, K.C.C. 4.16.157, as recodified by this ordinance, K.C.C. 4.16.010, as recodified by this ordinance, K.C.C. 4.16.025, as recodified by this ordinance, K.C.C. 4.16.030, as recodified by this ordinance, K.C.C. 4.16.035, as recodified by this ordinance, K.C.C. 4.16.040, as recodified by this ordinance, K.C.C. 4.16.050, as recodified by this ordinance, K.C.C. 4.16.055, as recodified by this ordinance, K.C.C. 4.16.070, as recodified by this ordinance, K.C.C. 4.16.075, as recodified by this ordinance, K.C.C. 4.16.080, as recodified by this ordinance, K.C.C. 4.16.100, as recodified by this ordinance, K.C.C. 4.16.110, as recodified by this ordinance, K.C.C. 4.16.120, as recodified by this ordinance, K.C.C. 4.16.144, as recodified by this ordinance, K.C.C. 4.16.145, as recodified by this ordinance, K.C.C. 4.16.150, as recodified by this ordinance, K.C.C. 4.16.155, as recodified by this ordinance, and K.C.C. 4.16.175, as recodified by this ordinance.

SECTION 10. K.C.C. 4.16.030, as amended by this ordinance, is hereby recodified as a new section in the new chapter established in section 1 of this ordinance.

SECTION 11. Ordinance 12138, Section 8, as amended, and K.C.C. 4.16.030 are each hereby amended to read as follows:

~~((In accordance with the provisions of RCW 36.32.245 and 36.32.253 and this chapter, the executive is granted authority to let any contract, lease or purchase of tangible personal property or services, other than professional or technical services, involving less than twenty five thousand dollars, without advertisement and without formal, sealed bidding. The executive is also granted the authority to let any contract for the purchase of professional or technical services without a formal solicitation of proposal process where the value of the contract to the consultant will not exceed twenty five thousand dollars. When leasing or purchasing tangible personal property or services, other than professional or technical services, between five thousand dollars and twenty five thousand dollars, the executive shall be responsible for securing either telephone or written quotations, or both, from vendors or prospective contractors to assure establishment of a competitive price, and for awarding such contracts to the lowest responsible bidder or proposer. When awarding a professional or technical services contract having a value to the contractor of less than twenty five thousand dollars, the executive shall obtain proposals from similarly qualified proposers to ensure a competitive process, and strive to select the most qualified proposer, having given due regard to experience and expertise and other relevant factors, and after the award of any contract pursuant to this section, the bids or proposals obtained shall be recorded and open to public inspection and shall be available by telephone inquiry.))~~ In accordance with Titles 36 and 39 RCW and this chapter, the executive is granted authority to award any contract, lease or purchase of tangible personal property and technical or other services, at the informal purchase threshold, without advertisement and without formal, sealed bids or proposals. The executive shall be responsible for securing

quotations or proposals from prospective contractors where required to assure establishment of a competitive price. This section does not apply to architectural, engineering, professional, or public works contracts.

SECTION 12. K.C.C. 4.16.035, as amended by this ordinance, is hereby recodified as a new section in the new chapter established in section 1 of this ordinance. SECTION 13. Ordinance 16927, Section 2, and K.C.C. 4.16.035 are each hereby amended to read as follows:

A. ~~((For the purposes of this section, "incremental project cost" means the additional cost, if any, in design, procurement, and construction and long term maintenance for achieving a reduction in energy usage or greenhouse gas emissions greater than the reduction that would be achieved under the applicable building code requirements.~~

B.))1. The executive shall require the architect, engineer or energy performance contractor to develop a written analysis to be delivered to the project manager before the completion of the project's design for all county capital improvement projects, including new construction, remodeling and energy-saving performance contracts and equipment retrofits and replacement:

- a. that include at least two hundred fifty thousand dollars of costs for powered equipment; and
- b. for which reasonable alternatives appear to be available for reducing energy usage by at least ten percent below applicable building code requirements or reducing greenhouse gas emissions.

2. The analysis shall include, at a minimum:

- a. options to achieve a reduction in energy usage of at least ten percent below levels that would be achieved under applicable building code requirements;
- b. any reasonable options to achieve greenhouse gas emissions reductions;
- c. identification of all available financial incentives from utility companies or other parties for achieving a reduction in energy usage or greenhouse gas emissions;
- d. a financial analysis of the incremental project cost for achieving the reductions in energy usage based on a life-cycle cost analysis that calculates net present value of the incremental cost, net of any financial

incentives from utilities or other outside sources, and the operational and utility savings for a period of not more than fifteen years, unless specifically justified by the attributes of the project; and

e. a financial analysis of the incremental project cost for implementing any reasonable options for achieving the reductions in greenhouse gas emissions based on a life-cycle cost analysis that calculates net present value of the incremental cost, net of any financial incentives from utilities or other outside sources, and the operational and utility savings for a period of not more than fifteen years, unless specifically justified by the attributes of the project.

3. The written analysis required in subsection ~~((B-))~~ A.1. of this section shall apply to county capital improvement projects for which design work is commenced after October 3, 2010.

~~((C-))~~ B. The project manager shall consider the financial analysis and life-cycle cost analysis in the selection of the alternative under subsection ~~((B-))~~ A. of this section, with a goal of selecting the alternative that meets the county's operational needs and that will result in a reduction of energy usage and greenhouse gas emissions and for which the life-cycle cost analysis of the incremental project cost demonstrates that there would not be an additional cost to the county. Documentation of the decision must be provided if an alternative is selected that does not reduce energy consumption or greenhouse gas emissions, or if an alternative is selected for which the financial analysis in subsection B. of this section determines that there will be an incremental cost.

~~((D-))~~ C. For a project under subsection ~~((B-))~~ A. of this section, where a financial incentive from a utility is available and the county has decided to pursue the incentive, the project manager shall be responsible for ensuring completion of all requirements of the utility's incentive.

~~((E-))~~ D.1. For a project under subsection ~~((B-))~~ A. of this section, upon the expiration of the project's construction warranty period, the department shall report the energy reduction and greenhouse gas emissions achieved as a result of the project and the total rebates and grants received from utilities or other parties as compared to the projected outcomes in energy usage and greenhouse gas emissions, and any financial

incentives identified in the financial analysis required in subsection ((B-)) A.3. of this section. After the initial report, the project's actual versus projected energy usage and greenhouse gas emissions shall be monitored for at least three years, using the county's energy accounting software or other measurement tools as appropriate based on the size and complexity of the project.

2. The executive shall adopt written procedures outlining the methodology and process by which a project manager reports on the energy and greenhouse gas emissions reductions achieved as a result of the project and the annual monitoring of energy and greenhouse gas emissions reduction. The procedures shall include a process for identifying those projects that include at least two hundred fifty thousand dollars of costs for powered equipment, but for which reasonable alternatives were unavailable for reducing energy consumption by at least ten percent below applicable building code requirements. The procedures shall include a reporting mechanism by which the data in subsection ((E-)) D.1. of this section is compiled, summarized and transmitted to the council.

SECTION 14. K.C.C. 4.16.040, as amended by this ordinance, is hereby recodified as a new section in the new chapter established in section 1 of this ordinances.

SECTION 15. Ordinance 12138, Section 9, as amended, and K.C.C. 4.16.040 are each hereby amended to read as follows:

A. The competitive procurement provisions of this chapter shall not apply to the lease or purchase of tangible personal property or to services of any kind that are clearly and legitimately limited to a single source of supply or that involve special facilities or special market conditions in which instances the lease or purchase price shall be established by direct negotiations by the manager. Executive approval is required for such leases or purchases (~~((in excess of twenty five thousand dollars))~~) below the formal purchasing threshold as described in RCW 36.32.245.

B. Notwithstanding subsection A. of this section, the competitive bidding requirements for public works may not be waived on the basis of a single source of supply, special facilities or special market

conditions.

SECTION 16. K.C.C. 4.16.050 and K.C.C. 4.16.055 are each hereby recodified as new sections in the new chapter established in section 1 of this ordinance.

SECTION 17. K.C.C. 4.16.070, as amended by this ordinance, is hereby recodified as a new section in the new chapter established in section 1 of this ordinance.

SECTION 18. Ordinance 12138, Section 10, as amended, and K.C.C. 4.16.070 are each hereby amended to read as follows:

Various departments or agencies of the county regularly have requirements for minimal cost purchases, and the cost of competitive purchasing to the county in these instances is greater than the benefits. The standard method for making these purchases is a county-issued credit card. In those instances when a county-issued credit card cannot be reasonably used, the manager shall establish a petty cash fund for open market purchases of miscellaneous items, total purchase price not to exceed one hundred dollars. Individual departments or agencies may effect these minimal cost purchases directly. The manager will authorize the reimbursement to each department, office or employee authorized to make such petty cash expenditures upon delivery of vendor's sales receipt. The authorized designee of the department or office will certify the vendor's paid sales receipt and deliver same for reimbursement.

SECTION 19. K.C.C. 4.16.075, as amended by this ordinance, is hereby recodified as a new section in the new chapter established in section 1 of this ordinance.

SECTION 20. Ordinance 16651, Section 1, and K.C.C. 4.16.075 are each hereby amended to read as follows:

A. The manager shall implement the following system for the authorization, distribution, control, implementation and administration of credit cards by officers and employees:

1. Credit cards may be distributed to those county officers and employees who, in the opinion of the manager, have job responsibilities that would benefit from, or otherwise be facilitated by, the use of a credit
