AN ORDINANCE creating the cultural resources endowment fund for the

purpose of receiving and holding a portion of hotel/motel tax revenues collected

in King County and making technical corrections; amending Ordinance 12076,

Section 9, as amended, and K.C.C. 4.08.015 and adding a new section to K.C.C.

chapter 4.08.

### PREAMBLE:

The office of cultural resources is partially supported by a portion of the county's hotel/motel tax

revenues. The formula for apportioning these revenues is given in K.C.C. chapter 4.42.

K.C.C. 4.08.190 E, provides, "at least forty percent of the revenue distributed pursuant to this

section for the period January 1, 2001, through December 31, 2012, shall be deposited in an account and shall be used to establish an endowment. Principal in the account shall remain permanent and irreducible. The remaining revenues, along with earnings from investment of balances in the account, may only be used for the purposes stated in KCC chapter 4.42." The purpose of this endowment fund will be to support the county's cultural programming beginning in 2013, through the interest earned on the fund, at which time hotel/motel tax revenues will no longer be available to the county for cultural program purposes, as specified in K.C.C. chapter

4.42.
