AN ORDINANCE augmenting and revising the projects that are authorized to be financed, on a long-term basis, by one or more series of limited tax general obligation bonds of the county in an outstanding aggregate principal amount not to exceed \$125,000,000, and pending the sale of such bonds, on an interim basis, by one or more series of limited tax general obligation bond anticipation notes of the county in an outstanding aggregate principal amount not to exceed \$125,000,000, as previously authorized by Ordinance 14167; and amending Ordinance 14167, Sections 1, 2, 3, 4, 5, 7 and 12.

PREAMBLE:

Pursuant to Ordinance 14167, the county authorized the issuance of one or more series of its limited tax general obligation bonds in an outstanding aggregate principal amount not to exceed \$125,000,000 to provide long-term financing for the Courthouse Seismic Project, the North Rehabilitation Facility Project and the Regional Communications and Emergency Control Center Project, each defined and described in Ordinance 14167, and further authorized the issuance and public sale of one or more series of its limited tax general obligation bond anticipation notes in an outstanding aggregate principal amount not to exceed \$125,000,000 to provide interim financing for such projects pending the issuance of the bonds

The county council hereby makes the following findings:

A. The Courthouse Seismic Project, the Courthouse Earthquake Repairs, the North Rehabilitation Facility Project and the Regional Communications and Emergency Control Center Project will contribute to the health, safety and welfare of the citizens of the county.

B. The issuance of limited tax general obligation bonds of the county to provide long-term financing for such projects, payable from regular property taxes, and the issuance and sale of limited tax general obligation bond anticipation notes of the county to provide interim financing therefor, payable from the proceeds of the sale of such bonds or other revenues, taxes and money of the county legally available for such purposes, will reduce the overall costs of borrowing such funds and is in the best interests of the county and its citizens.

SECTION 3. Ordinance 14167, Section 3, is hereby amended to read as follows:

The county is hereby authorized to undertake the Courthouse Seismic Project, the Courthouse Earthquake Repairs, the North Rehabilitation Facility Project and the Regional Communications and Emergency Control Center Project. The costs of such projects shall also include capitalized interest, interest on the Notes or other interim financing for such projects pending receipt of Bond proceeds, and costs and expenses incurred in issuing the Bonds.

The projects authorized herein shall include the costs of sales tax, acquisition and contingency allowances, financing, and any and all surveys, explorations, engineering and architectural studies, drawings, designs and specifications incidental, necessary or convenient to the improvements herein specified. Such projects shall also include the purchase of all materials, supplies, appliances, equipment and facilities, and the permits, franchises, property and property rights and administrative costs, necessary, incidental or convenient to

effect the improvements.

The projects authorized herein may be modified where deemed advisable or necessary in the judgment of the county council, and implementation or completion of any authorized project shall not be required if the county council determines that it has become inadvisable or impractical. If all of the projects either have been completed, or their completion duly provided for, or their completion found to be inadvisable or impractical, the county may apply any remaining proceeds of the Bonds or Notes, or any portion thereof, to the acquisition or improvement of other county facilities as the county council in its discretion may determine. In the event that the proceeds of the sale of the Bonds and Notes, plus any other money of the county legally available therefor, are insufficient to accomplish all of the projects authorized in this section, the county shall use the available funds for paying the cost of those projects for which the Bonds and Notes were authorized deemed by the county council most necessary and in the best interest of the county.

SECTION 4. Ordinance 14167, Section 4, is hereby amended to read as follows:

A. Purpose and Authorization of Bonds. The county authorizes the issuance of the Bonds to provide long-term financing the Courthouse Seismic Project, the Courthouse Earthquake Repairs, the North Rehabilitation Facility Project and the Regional Communications and Emergency Control Center Project, including capitalized interest, interest on the Notes or other interim financing for such projects pending receipt of Bond proceeds, and costs and expenses incurred in issuing the Bonds.

B. Description of Bonds. The Bonds may be issued in one or more series in an outstanding aggregate principal amount not to exceed \$125,000,000. Each series of the Bonds shall be designated “King County, Washington, Limited Tax General Obligation Bonds” with an applicable year and series designation established by a Bond Sale Motion. Each series of Bonds shall be dated as of such date, shall mature on the date or dates in each of the years and in the principal amounts, shall bear interest (computed on the basis of a 360-day year of twelve 30-day months) from their date or the most recent interest payment date to which interest has been paid or duly provided for, whichever is later, at the rates and payable on such dates, and shall be subject to

redemption prior to maturity in the amounts, in the manner and at the prices, and shall be subject to such other terms and provisions as the county shall establish by a Bond Sale Motion.

C. Sale of Bonds. The county hereby authorizes the public sale of the Bonds by competitive bid. The Bonds shall be sold in one or more series, at the option of the Finance Director. Bids for the purchase of each series of the Bonds shall be received at the treasury division of the county's finance department, Room 610, King County Administration Building, 500 Fourth Avenue, Seattle, Washington, at 9:00 a.m., or at such other time as the Finance Director shall direct, on such date as the Finance Director shall direct; provided, that at the option of the Finance Director, such bids may be received by facsimile transmission and/or by internet or other electronic bidding process, at such time and on such date as the Finance Director shall direct.

Upon the date and time established for the receipt of bids for each series of the Bonds, the Finance Director or his designee shall open the bids for the Bonds, shall cause the bids to be mathematically verified and shall report to the county council regarding the bids received. Such bids shall then be considered and acted upon by the county council in an open public meeting. The county council reserves the right to reject any and all bids for any series of the Bonds. Bids for each series of the Bonds must be on an all or none basis or on a maturity by maturity basis as specified within the Official Notice of Bond Sale therefor. The county council shall, by Bond Sale Motion, ratify and confirm the year and series designation, date, principal amounts and maturity dates, interest rates and interest payment dates, and redemption provisions of each series of the Bonds, and accept the bid for the purchase of such series of the Bonds.

The Finance Director is hereby authorized and directed to prepare an Official Notice of Bond Sale for each series of the Bonds, which notice shall be filed with the clerk of the council and shall be ratified and confirmed by the Bond Sale Motion therefor. The Finance Director is hereby authorized to establish the year and series designation, date, principal amounts and maturity dates, interest payment dates and redemption provisions for the Bonds in such Official Notice of Bond Sale so long as the aggregate principal amount of the Bonds to be outstanding following the issuance of such series of Bonds does not exceed the remainder of

\$125,000,000 less the aggregate principal amount of any Notes to be outstanding following the issuance of such series of Bonds. The Official Notice of Bond Sale or an abridged form thereof shall be published once prior to such sale date in The Bond Buyer and may be published in such other papers or financial journals as may be deemed desirable or appropriate by the financial advisors to the county.

SECTION 5. Ordinance 14167, Section 5, is hereby amended to read as follows:

A. Purpose and Authorization of Notes. The county authorizes the issuance of the Notes to provide interim financing for the Courthouse Seismic Project, the Courthouse Earthquake Repairs, the North Rehabilitation Facility Project and the Regional Communications and Emergency Control Center Project, including capitalized interest and costs and expenses incurred in issuing the Notes.

B. Description of Notes. The Notes may be issued in one or more series in an outstanding aggregate principal amount not to exceed \$125,000,000. Each series of Notes shall be designated “King County, Washington, Limited Tax General Obligation Bond Anticipation Notes” with an applicable year and series designation established as provided in Section 18 hereof. Each series of Notes shall be dated as of such date, shall mature on the date or dates in each of the years and in the principal amounts, shall bear interest (computed on the basis of a 360-day year of twelve 30-day months) from their date or the most recent interest payment date to which interest has been paid or duly provided for, whichever is later, at the rates and payable on such dates, and shall be subject to redemption prior to maturity in the amounts, in the manner and at the prices, and shall be subject to such other terms and provisions, all to be established as provided in Section 18 hereof. The Notes shall be fully registered as to both principal and interest, shall be in the denomination of \$5,000 each or any integral multiple thereof (but no Note shall represent more than one maturity), shall be numbered separately in such manner and with any additional designation as the Note Registrar deems necessary for purposes of identification.

C. Initial Immobilization of Notes; Depository Provisions. The Notes initially shall be held in fully immobilized form by DTC acting as depository pursuant to the terms and conditions set forth in the Blanket

Issuer Letter of Representations heretofore executed on behalf of the county. Neither the county nor the Note Registrar shall have any responsibility or obligation to DTC participants or the persons for whom they act as nominees with respect to the Notes with respect to the accuracy of any records maintained by DTC or any DTC participant, the payment by DTC or any DTC participant of any amount in respect of principal or redemption price or interest on the Notes, any notice that is permitted or required to be given to Registered Owners under this ordinance (except such notice as is required to be given by the county to the Note Registrar or to DTC), the selection by DTC or any DTC participant of any person to receive payment in the event of a partial redemption of the Notes or any consent given or other action taken by DTC as owner of the Notes.

The Notes initially shall be issued in denominations equal to the aggregate principal amount of each maturity and initially shall be registered in the name of CEDE & Co., as the nominee of DTC. The Notes so registered shall be held in fully immobilized form by DTC as depository. For so long as any Notes are held in fully immobilized form, DTC, its successor or any substitute depository appointed by the county, as applicable, shall be deemed to be the Registered Owner for all purposes hereunder and all references to Registered Owners, Noteowners, Noteholders, owners or the like shall mean DTC or its nominees and shall not mean the owners of any beneficial interests in the Notes. Registered ownership of such Notes, or any portions thereof, may not thereafter be transferred except:

1. To any successor of DTC or its nominee, if that successor shall be qualified under any applicable laws to provide the services proposed to be provided by it;
2. To any substitute depository appointed by the county pursuant to this subsection or such substitute depository's successor; or
3. To any person as herein provided if the Notes are no longer held in immobilized form.

Upon the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository, or a determination by the county that it is no longer in the best interests of beneficial owners of the Notes to continue the system of book entry transfers through DTC or its successor (or any

substitute depository or its successor), the county may appoint a substitute depository. Any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it.

In the case of any transfer pursuant to clause (1) or (2) of the second paragraph of this subsection, the Note Registrar, upon receipt of all outstanding Notes together with a written request on behalf of the county, shall issue a single new Note for each maturity of Notes then outstanding, registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such written request of the county.

In the event that DTC or its successor (or substitute depository or its successor) resigns from its functions as depository, and no substitute depository can be obtained; or the county determines that it is in the best interests of the beneficial owners of the Notes that they be able to obtain Note certificates, the ownership of Notes may be transferred to any person as herein provided, and the Notes shall no longer be held in fully immobilized form. The county shall deliver a written request to the Note Registrar, together with a supply of definitive Notes, to issue Notes as herein provided in any authorized denomination. Upon receipt of all then outstanding Notes by the Note Registrar, together with a written request on behalf of the county to the Note Registrar, new Notes shall be issued in such denominations and registered in the names of such persons as are requested in such a written request.

D. Place, Manner and Medium of Payment. Both principal of and interest on the Notes shall be payable in lawful money of the United States of America. For so long as outstanding Notes are registered in the name of CEDE & Co., or its registered assigns, as nominee of DTC, payments of principal of and interest on the Notes shall be made in next day funds on the date such payment is due and payable at the place and in the manner provided in the Letter of Representations.

In the event that Notes are no longer held in fully immobilized form by DTC or its successor (or substitute depository or its successor); interest on the Notes shall be paid by checks or drafts mailed, or by wire transfer, to owners of Notes at the addresses for such owners appearing on the Note Register on the 15th day of

the calendar month preceding the interest payment date. Wire transfer will be made only if so requested in writing and if the owner owns at least one million dollars (\$1,000,000) par value of the Notes. Principal of the Notes shall be payable at maturity or on such dates as may be fixed for prior redemption upon presentation and surrender of the Notes by the owners at either principal office of the Note Registrar in Seattle, Washington, or New York, New York, at the option of such owners.
