AN ORDINANCE authorizing the sale of two parcels of tax title property in council district 7 for affordable housing purposes.

### STATEMENT OF FACTS

1. The subject properties located in the East Tacoma Addition of the city of Federal Way at SW 369th St. and 1st Ave. So. are held in trust by King County as tax title property, and are considered surplus to the needs of the county.
2. K.C.C. 4.56.100A.2 allows King County to negotiate a direct sale when unique circumstances exist.
3. Habitat for Humanity of South King County owns a parcel of property located between the two surplus county-owned properties.

4. The county-owned properties have no sewer available and although they have legal access, the access is currently undeveloped.
5. The lack of developed access and the lack of sewer availability, make the two county-owned properties difficult to develop physically and economically for other than an adjoining owner.
6. Since Habitat for Humanity owns adjoining property, development of the three properties for affordable housing becomes more feasible and cost effective.
7. Under RCW 84.64.320, tax title property can be sold for public purposes for no less than the amount of the back taxes.
8. The total assessed value of the subject properties is forty thousand dollars. Habitat for Humanity of South King County has agreed to purchase the properties for the amount of the back taxes plus administrative costs. The total sales price is three thousand five hundred dollars.
9. It is deemed to be in the best interests of the citizens of King County to conduct a negotiated direct sale of the two parcels of county-owned property to Habitat for Humanity of South King County for affordable housing purposes.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:
