AN ORDINANCE authorizing the executive to enter into an interlocal agreement with the city of Renton for the transfer of drainage facilities and property interests.

### STATEMENT OF FACTS:

1. The city of Renton has addressed the need for surface water management and drainage services that preserve and protect the environment, public and private property, and the health and welfare of its citizens by having a comprehensive surface water management program that

includes the inspection and maintenance of drainage facilities within its municipal boundaries.

2. Within the municipal boundaries of the city of Renton there are drainage systems, including facilities and property interests that have been owned and previously operated by King County.

3. Renton and King County believe that it is in their mutual interest, and in the best interest of the public, that King County formally transfer its ownership of, and responsibility for, drainage facilities and drainage property interests located within the municipal boundaries of the city of Renton, to the city of Renton.

4. Pursuant to chapter 39.34 RCW, the Interlocal Cooperation Act, the parties are each authorized to enter into an agreement for cooperative action to accomplish this transfer.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. The King County executive is hereby authorized to enter into an interlocal agreement, in substantially the same form as Attachment A to this ordinance, with the city of Renton for the transfer of King County drainage facilities and property interests located within the city of Renton to the city of Renton.

SECTION 2. The King County executive is hereby authorized to execute a deed of conveyance in favor of the city of Renton for drainage-related property interests within the municipal boundaries of the city of Renton as shown on Exhibit B to Attachment A to this ordinance. 10 days, not more than 25 prior
