P1 PROVIDED THAT:

Of this appropriation, \$100,000 shall not be expended or encumbered until the executive transmits a plan for implementing the recommendations and achieving the goals identified in the executive's report entitled A Look at the Employer of the Future, with a motion that acknowledges receipt of the plan, and the motion is passed by the council. The motion shall reference the proviso's ordinance, ordinance section, proviso number and subject matter in both the title and body of the motion.

The executive must file the plan and motion required by this proviso by April 1, 2014, in the form of a paper original and an electronic copy with the clerk of the council, who shall retain the original and provide an electronic copy to all councilmembers, the council chief of staff, the lead staff for the committee of the whole or its successor and the council's legislative analyst primarily assigned to labor relations issues.

The plan shall include, but not be limited to:

- A. Milestones toward implementing the recommendations and achieving the goals identified in the executive's report entitled A Look at the Employer of the Future;
- B. Target dates for reaching those milestones, taking into account the need to implement some of the recommendations and achieve some of the goals in part through collective bargaining and legislation; and
- C. Objective measures for determining whether the milestones have been reached.

P2 PROVIDED FURTHER THAT:

Of this appropriation, \$200,000 shall not be expended or encumbered until the executive transmits a report on an examination of administrative department costs and a review of selected overhead and central rate charges and a motion that acknowledges receipt of the report and the motion is passed by the council. The motion shall reference the proviso's ordinance, ordinance section, proviso number and subject matter in both the title and body of the motion.

The executive must file the report and motion required by this proviso by ~~((May 1))~~ June 16, 2014, in the form of a paper original and an electronic copy with the clerk of the council, who shall retain the original and provide an electronic copy to all councilmembers, the council chief of staff and the lead staff for the budget and fiscal management committee, or its successor.

The report shall examine the overhead allocation and central rate methodologies and charges for services provided by the finance and business operations division, the King County information technology department and the facilities management division. Further, the report shall include a pilot examination of a county department for administrative costs that are passed to divisions within the organization. The department selected for examination shall be public health.

The report shall include, but not be limited to:

- A. A review of overhead allocation and central rate methodologies, including:
 - 1. A description of the rates and methodologies and how the methodology fits with best practices for

governmental indirect service charges;

2. A review and presentation of data for at least 2004 through 2013 showing charges for services by category of service and the rate of growth for the ten-year period and year-over-year throughout the period for each category of service. The review should identify contributing factors for any year-over-year change greater than two percent or a total change of greater than twenty percent for the ten-year period; and

3. Any recommendations for changes in methodology to reflect best practices, current county practices and service utilization;

B. An examination of charges to divisions within the department for both central overhead and department overhead and methodologies used by the public health director's office, including:

1. A description of the services, charges, rates and methodologies;

2. An analysis of ten-year trend data for the overhead charges;

3. Any recommendations for changes in methodologies to more accurately reflect the relationship between charges for service and service delivery;

4. A review of the growth of individual charges and the costs associated with the charges and any recommendations that could result in either limiting growth or reducing user agency costs;

5. Any recommendations that would allow for standardization of policies for determining charges; and

6. Any recommended changes in how the department of public health charges for administration costs to divisions and any recommended changes that could be accomplished and standardized for other county agencies; and

C. An implementation plan, including a timeline and milestones, for incorporating report recommendations, including those that should be implemented in the proposed 2015-2016 budget.

P3 PROVIDED FURTHER THAT:

Of this appropriation, \$100,000 shall not be expended or encumbered until the executive transmits a report on a countywide action plan to engage limited English proficiency ("LEP") populations and a motion

that acknowledges receipt of the report. The motion shall reference the proviso's ordinance, ordinance section, proviso number and subject matter in both the title and body of the motion.

The executive must file the report and motion required by this proviso by June 30, 2014, in the form of a paper original and an electronic copy with the clerk of the council, who shall retain the original and provide an electronic copy to all councilmembers, the council chief of staff and the lead staff for the committee of the whole.

The intent of the report is to increase access to King County government services and operations for LEP populations. The office of performance, strategy and budget shall convene a work group consisting of council and executive staff and representatives from the executive departments, the prosecuting attorney's office, the sheriff's office, the department of assessments, the department of elections, superior court and district court to develop the plan. The report shall include, but not be limited to:

A. An action plan to increase access for LEP residents countywide who speak languages listed in at least Language Tiers 1 and 2 set forth in Appendix C to Executive Order INF 14-2 (AEO). The plan may, but is not required to, also include languages listed in Tier 3. The action plan shall include, but not be limited to:

1. An examination of outreach strategies that can be used to engage LEP populations, including the possible use of technology;
2. An examination of the pros and cons for developing centralized resources, such as a website for the provision of LEP services countywide;
3. Strategies to coordinate these translation efforts and other services categories across all departments, agencies and offices;
4. Any recommendations by the work group for improvements or changes to current practices for the provision of LEP services; and
5. A timeline and milestones necessary to implement the elements contained with the action plan; and

B. For election-related services, an analysis of options or factors that could provide minority language

voting materials for LEP populations in Tiers 1 and 2 that have not yet reached the thresholds required by Section 203 of the Voting Rights Act of 1965, as amended, at a cost lower than the current costs for such materials for minority languages required by the act. The analysis shall, at a minimum, include the following:

1. A description of alternative translation materials and services that could be provided to these LEP populations;
2. Cost estimates related to each of the alternative options; and
3. The feasibility of implementing these alternative options.

P4 PROVIDED FURTHER THAT:

Of this appropriation, \$667,230 and 4.00 FTE shall not be expended or encumbered until the executive transmits a continuous improvement implementation plan, a draft ordinance establishing a continuous improvement program and reporting requirements in the King County Code, and a motion that acknowledges receipt of the plan and the motion is passed by the council. The motion shall reference the proviso's ordinance, ordinance section, proviso number and subject matter in both the title and body of the motion.

The executive must file the plan and motion required by this proviso in the form of a paper original and an electronic copy with the clerk of the council, who shall retain the original and provide an electronic copy to all councilmembers, the council chief of staff and the lead staffs for the committee of the whole and the budget and fiscal management committee, or their successors.

The plan shall include, but not be limited to:

- A. A description of the county's continuous improvement program;
- B. The role, responsibilities, including program accountability, and membership of an interbranch continuous improvement advisory board;
- C. Processes for ongoing project assessment, prioritization, selection, resourcing, implementation and evaluation;
- D. An ongoing process for approving improvement targets for projects, including quality, cost, safety

and delivery, including timeliness, per the charter for specific projects;

E. A post project review process;

F. A process for regular, at least annual, reporting of performance and results;

G. A training and development plan for countywide implementation of continuous improvement, with milestones for 2014 and 2015;

H. A process for continuously improving the plan; and

I. A description of how the achievement of continuous improvement targets and goals will be included in the performance evaluations of all department directors and division managers to provide for departmental, division and agency improvement, learning and accountability.

P5 PROVIDED FURTHER THAT:

Of this appropriation, \$300,000 shall not be expended or encumbered until the executive transmits a report on the county's interpreter services and a motion that acknowledges receipt of the report and the motion is passed by the council. The motion shall reference the proviso's ordinance, ordinance section, proviso number and subject matter in both the title and body of the motion.

The executive must file the interpreter services report and motion required by this proviso by June 30, 2014, in the form of a paper original and an electronic copy with the clerk of the council, who shall retain the original and provide an electronic copy to all councilmembers, the council chief of staff and the lead staffs for the budget and fiscal management committee and the law, justice, health and human services committee or their successors.

The report shall be prepared by the office of performance, strategy and budget in consultation with council staff and representatives of the superior court, district court, the department of judicial administration, the prosecuting attorney's office, the sheriff's office, the department of adult and juvenile detention, the department of public defense, the department of public health and any other county departments determined by the executive to have significant expenses related to interpreter services. The report shall review data for 2010

through 2013.

The interpreter services report shall include, but not be limited to:

- A. The actual costs of providing interpreter services within the county;
- B. The utilization of interpreter services by county agencies, including how users of the service are identified and how interpreters are assigned;
- C. An examination of the service delivery methodology used, including quality control and how conflicts are identified and addressed, including the possible use of technology;
- D. An examination of the pros and cons for developing a consolidated system for the provision of interpreter services countywide; and
- E. Recommendations for improvements or changes to the current system for the provision of interpreter services.

P6 PROVIDED FURTHER THAT:

Of this appropriation, \$250,000 shall not be expended or encumbered until the executive transmits a report on options for a permanent site or sites and program operations for the involuntary treatment act court facilities and a motion that acknowledges receipt of the report and the motion is passed by the council. The motion shall reference the proviso's ordinance, ordinance section, proviso number and subject matter in both the title and body of the motion.

The executive must file the report and motion required by this proviso by February 28, 2014, in the form of a paper original and an electronic copy with the clerk of the council, who shall retain the original and provide an electronic copy to all councilmembers, the council chief of staff and the lead staff for the budget and fiscal management committee, or its successor.

The report shall consider the partnership opportunity offered to the county by Fairfax Hospital and shall include, but not be limited to:

- A. An analysis of the cost of constructing and operating a two or three courtroom facility located in a

renovated Harborview Hall;

B. An analysis of the cost of constructing and operating one or two courtrooms located at Harborview Hall and one courtroom located at Fairfax Hospital;

C. An analysis of the impact upon the patients, family members and nonfamily member civilian witnesses served by the court in each of the two options listed in subsections A. and B. of this proviso;

D. An analysis of business process changes, including the use of video technology, that could reduce costs associated with the options in subsections A. and B. of this proviso; and

E. An analysis of any other significant impacts including, but not limited to, impacts to the courts, prosecuting attorney's office, public defenders, courthouse security and mental health professionals.

P7 PROVIDED FURTHER THAT:

Of this appropriation, \$100,000 shall not be expended or encumbered until the executive transmits a plan on the staffing of regional planning activities and the county's participation in regional planning organizations, a draft ordinance and a motion that acknowledges receipt of the plan and the draft ordinance and the council has passed the motion. The motion shall reference the proviso's ordinance, ordinance section proviso number and subject matter in both the title and body of the motion.

The executive must file the plan, motion and draft ordinance required by this proviso by March 31, 2014, in the form of a paper original and an electronic copy with the clerk of the council, who shall retain the original and provide an electronic copy to all councilmembers, the council chief of staff and the lead staff for the budget and fiscal management committee, or its successor.

The plan shall describe a staffing model to support county comprehensive planning and countywide planning activities. The plan shall also describe staffing support for the county's participation in regional planning organizations such as the Growth Management Planning Council and the Puget Sound Regional Council, including coordination of the executive and legislative branches' participation in those organizations.

The draft ordinance shall address the required plan topics including amendments to the relevant sections

of the King County Code in order to implement the plan.

Of this appropriation, \$250,000 shall not be expended or encumbered until the executive transmits an implementation report on the Safe Harbors Homeless Management Information System ("HMIS") and a motion that acknowledges receipt of the report and the motion is passed by the council. The motion shall reference the proviso's ordinance, ordinance section, proviso number and subject matter in both the title and body of the motion.

The executive must file the implementation report and motion required by this proviso by March 3, 2014, in the form of a paper original and an electronic copy with the clerk of the council, who shall retain the original and provide an electronic copy to all councilmembers, the council chief of staff and the lead staff for the law, justice, health and human services committee or its successor.

Making improvements to the Safe Harbors HMIS is crucial to ensure that Safe Harbors is able to provide cost-effective, accurate and comprehensive data about the people who rely on local homeless services, satisfy state and federal requirements, and meet the needs of local provider agencies. The Seattle/King County Safe Harbors HMIS Assessment Report prepared for the Seattle/King County Safe Harbors HMIS Funders Group contains findings and recommendations that should be implemented to improve the program.

The executive shall work with the city of Seattle, Washington state Department of Commerce and the department of information technology to prepare a Safe Harbors implementation report. The implementation report shall, at a minimum, include:

- A. Alternative options for the management of Safe Harbors, including but not limited to, moving the administration and management of the program to King County, and the impacts of those management changes;
- B. How each recommendation from the report and alternative management option will be achieved;
- C. A timeline for implementation of each recommendation and alternative management option; and

D. A cost summary for each item recommended for implementation of recommendations and alternative management options.

SECTION 30. Ordinance 17476, Section 102, as amended, is hereby amended by adding thereto and inserting therein the following:

The maximum number of additional FTEs for facilities management internal service

shall be: 2.35

SECTION 34. Ordinance 17476, Section 132, as amended, is hereby amended by adding thereto and inserting therein the following:

WASTEWATER TREATMENT CAPITAL IMPROVEMENT PROGRAM - From the wastewater treatment capital improvement program fund for the 2013/2014 biennium there is hereby appropriated to be disbursed the following amounts for the specific projects identified in Attachment C to this ordinance.

Fund	Fund Name	2013/2014
-------------	------------------	------------------

3611	WASTEWATER TREATMENT CAPITAL	\$3,104,000
------	------------------------------	-------------

ER1 EXPENDITURE RESTRICTION:

Of the appropriation for CIP project, 1037546, WTC Brightwater conveyance, \$19,700 shall be expended solely for support of independent oversight on the Brightwater project to be provided by the King County auditor's office.

ER2 EXPENDITURE RESTRICTION:

Of the appropriation for CIP project, 1037813, WTC Brightwater treatment plant, \$19,700 shall be expended solely for support of independent oversight on the Brightwater project to be provided by the King County auditor's office.

ER3 EXPENDITURE RESTRICTION:

Of the appropriation for CIP project 1113351, environmental laboratory capital asset management program (CAMP), \$90,000 shall solely be expended to purchase laboratory equipment to enhance the scope and precision of marine phytoplankton monitoring to improve tracking of changes to the marine food web and

water quality.

ER4 EXPENDITURE RESTRICTION:

Of the appropriation for capital project 1121402, Brandon Michigan CSO, \$100,000 shall be expended or encumbered solely for support of independent oversight on the project to be provided by the King County auditor's office.

P1 PROVIDED THAT:

Of the appropriation for CIP project 1113334, combined sewer overflow comprehensive planning and reporting, \$500,000 shall not be expended or encumbered until the executive transmits a report and a motion that acknowledges receipt of the report. The motion shall reference the proviso's ordinance, ordinance section, proviso number and subject matter in both the title and the body of the motion. The executive shall obtain the review by council staff and the King County auditor of: 1) the scope of work for the report on combined sewer overflow control project sequencing, prior to the report preparation; and 2) the draft report, prior to transmittal to the council. Implementing this proviso shall be carried out in compliance with the consent decree between King County and regulatory agencies.

The executive should file the report and motion required by this proviso by September 1, 2013, in the form of a paper original and an electronic copy with the clerk of the council, who shall retain the original and provide an electronic copy to all councilmembers, the council chief of staff and the lead staff for the regional water quality committee and transportation, economy and environment committee and or its successor.

The report shall provide additional financial and cost effectiveness analyses, as outlined in the King County Auditor's Office 2012 Performance Audit of Combined Sewer Overflow Program, of the 2012 adopted long-term combined sewer overflow ("CSO") control plan project sequencing and alternate project sequencing. The report shall include analysis of acceleration of one or more combined sewer overflow control projects to initiate more projects while borrowing costs and interest rates are at historic lows.

The sequencing analyses contained in the report should address projected staffing requirements and all

estimated costs for the phases of project execution, including anticipated and alternative milestones for enhanced project specific flow monitoring, problem definition, design and construction. The report shall also include calculations of wastewater rate impacts between 2014 and 2030 for alternative project sequencing options. The report should also consider other significant capital projects and current capital financing assumptions that are drivers of near and long-term wastewater rate projections. Alternative financing strategies for capital projects shall also be included in the report for alternative project sequencing options.

In addition, the report should address issues and benefits of coordinating King County CSO projects with other wastewater treatment division projects and other activities, including but not limited to, the Duwamish waterway cleanup, Harbor Island cleanup, reconstruction of State Route 99 through downtown Seattle, bridge replacement of State Route 520 and implementation of Seattle CSO projects, and should quantify financial, regulatory or other issues associated with project coordination or lack thereof. The report shall also detail the regulatory approval or approvals necessary for alternative project sequencing options.

Based on the analyses, the report should summarize and quantify the advantages and disadvantages of the adopted long term CSO control project sequencing versus alternative sequencing options.

P2 PROVIDED FURTHER THAT:

Of the appropriation for project 1123517, WTC fleet maintenance facility replacement, \$3,104,000 shall not be expended or encumbered until the executive transmits a property evaluation plan for a loop biosolids truck staging and maintenance facility location.

The plan shall evaluate, in coordination with the roads division, a maintenance facility location. The plan shall consider, but not be limited to, potential sites including a Washington State Department of Transportation property located in Preston and a potential property located in North Bend. At a minimum, the plan shall evaluate the two properties against each other for meeting long term needs of both agencies. The plan shall consider property costs, operational suitability, operational feasibility, permitting and zoning, construction feasibility and timing.

The executive must file the plan required by this proviso in the form of a paper original and an electronic copy with the clerk of the council, who shall retain the original and provide an electronic copy to all councilmembers, the council chief of staff and the lead staff for the budget and fiscal management committee or its successor.
