It is the express intent of the council that the subsequent appropriation of any reserve funds for the purpose of expediting annexations will be subject to the council's review of an analysis of the short-term and long-term fiscal and service impacts of the annexation. It is also the intent of the council to work with the executive to define a process for executive and council staff collaboration on annexation issues.

The vision and goals statement, implementation plan and motion required to be submitted by this proviso must be filed in the form of 15 copies with the clerk of the council, who will retain the original and will
