**PREAMBLE:**

Ordinance 18233, adopted in February 2016, authorizes King County, by and through its executive and its board of trustees for Harborview Medical Center, to execute a Hospital Services Agreement with the Regents of the University of Washington.

The duties of the county treasurer have been delegated to the finance and business operations division.

Paul Hayes, the Harborview Medical Center Executive Director, has requested that the county authorize its hospital administrator be allowed to issue warrants for the Harborview Medical Center operations and for capital projects administered and managed by the University of Washington under the terms of the Hospital Services Agreement.
