Clerk 03/16/2005

A MOTION requesting the executive to transmit the King County Strategic Technology Plan 2006-2008.

WHEREAS, the metropolitan King County council is the policy setting branch of King County government, and

WHEREAS, King County executive is responsible for management of King County government and supervises the chief information officer, and

WHEREAS, the chief information officer has the duty under K.C.C. 2.16.0755 to advise all county elected officials, departments and divisions on technology planning and project implementation. The chief information officer also has the duty to oversee the production of a county information technology strategic plan and update annually the plan, and

WHEREAS, under K.C.C. 2.16.0757, the strategic technology plan and annual updates are to be produced for council approval, and

WHEREAS, the metropolitan King County council passed Motion 11660, which approved the King County Strategic Technology Plan for the three-year period of 2003 through 2005, and

WHEREAS, the metropolitan King County council adopted Ordinance 15083, which approved 2005 capital funding of seventy-five thousand dollars to update the King County Strategic Technology Plan 2003-2005 for the three-year period of 2006 through 2008, and

WHEREAS, the chief information officer is updating the King County Strategic Technology Plan 2003-2005 for the three-year period of 2006 through 2008, and

WHEREAS, the chief information officer expects to complete the update of the King County Strategic Technology Plan 2003-2005 for the three-year period of 2006 through 2008 in June 2005;

NOW, THEREFORE, BE IT MOVED by the Council of King County:

The executive is requested to transmit to the metropolitan King County council by July 13, 2005, the King County Strategic Technology Plan for the three-year period of 2006 through 2008 for its approval by motion. The King County Strategic Technology Plan shall include a section of King County's ongoing efforts to offer e-government services, including expanded e-commerce services, to the public. The King County

Strategic Technology Plan shall also include a section on implementation of stage three for the law, safety and justice strategic integration program.
