OFFICE OF MANAGEMENT AND BUDGET - From the current expense fund there is hereby appropriated to:

Office of management and budget \$207,631

ER1 EXPENDITURE RESTRICTION:

Of this appropriation, \$135,000 shall be expended solely to assist communities in council district 11 by providing resources for public outreach and analysis of annexation.

P1 PROVIDED THAT:

By June 1, 2005, the office of management and budget, in collaboration with the superior court and the departments of judicial administration, community and human services, the offices of the prosecuting attorney and the public defender, shall submit to the council for its review and approval by motion a detailed work plan and a proposed motion approving an operational master planning effort reviewing the operations and potential facilities needs for a targeted operational master planning effort for the court's juvenile, family law and supporting therapeutic courts. The work plan effort should include the court and judicial administration, but also should solicit input from other agencies involved in the family courts or therapeutic courts (state, county and community). The detailed work plan for the operational master plan shall be developed to include a scope of work, tasks, schedule, needed resources and milestones. The plan should also include a description of the

proposed group that will responsible for the oversight of the planning effort and also identify the other county agencies that will need to participate in the planning work.

The plan and proposed motion must be filed in the form of 16 copies with the clerk of the council, who will retain the original and will forward copies to each councilmember and to the lead staff of the budget and fiscal management and the law, justice and human services committees or their successors.

P2 PROVIDED FURTHER THAT:

By (~~June 1, 2005~~) June 15, 2005, the office of management and budget, in collaboration with the superior court, district court and the department of judicial administration, shall submit to the council for its review and approval by motion a report containing a feasibility analysis of the potential of consolidating the county's court administrative functions and a proposed motion approving the report. The report should contain an analysis of the administrative/support functions of the superior and district courts and the department of judicial administration, evaluating the potential for the consolidation of functions, staffing and space needs. Based on the findings of the consolidation analysis, the plan should identify any potential new administrative structures

The plan and proposed motion must be filed in the form of 16 copies with the clerk of the council, who will retain the original and will forward copies to each councilmember and to the lead staff of the budget and fiscal management and the law, justice and human services committees or their successors.

P3 PROVIDED FURTHER THAT:

By April 15, 2005, the office of management and budget, in collaboration with the department of public health and staff of the council and the board of health, shall submit to the board of health and the council for their review and approval a detailed work plan for an operational master plan for public health.

The operational master plan shall have two phases. Phase I of the operational master plan shall provide a policy framework for meeting the county's public health responsibilities. It shall include a review of public health mandates, needs, policies and goals and recommend the adoption of comprehensive public health

policies to guide future budgetary and operational strategies developed in phase II of the operational master plan. Phase II shall: (1) review the department of public health's functions and operations; (2) evaluate service delivery alternatives for meeting the public health needs of the community as effectively and efficiently as possible; and (3) develop recommended implementation and funding strategies. Phase I of the operational master plan shall be reviewed and approved by the board of health by resolution and the county council by motion. Phase II of the operational master plan shall be reviewed and approved by the council by motion with input from the board of health.

The work plan and proposed motion for the public health operational master plan shall include a scope of work, tasks, schedule, milestones and the budget and selection criteria for expert consultant assistance. In addition, the work plan shall also include proposals for: (1) an oversight group to guide development of the plan that shall include executive, council and board of health representation; (2) a coordinated staff group to support plan development; and (3) methods for involving funding and service provision partners and other experts in public health in the development of the operational master plan.

The work plan and proposed motion for the public health operational master plan must be filed in the form of 16 copies with the clerk of the council, who will retain the original and will forward copies to each councilmember, to the chair of the board of health and to the lead staff of the law, justice and human services committee or its successor.

P4 PROVIDED FURTHER THAT:

Of this appropriation, \$20,000 shall only be expended or encumbered after the office of management and budget submits quarterly reports on actual expenditures, revenues collected and a brief description of activities for the violent crimes review team and homeland security functions to the council by April 29, July 29 and October 28, 2005, for the first, second and third quarter reports respectively. The reports shall be submitted on a reporting format developed collaboratively by staff from the council, the sheriff's office and the office of management and budget. If any of these deadlines is missed, appropriation authority for this \$20,000 shall

lapse and it shall revert to fund balance.

The plans and reports required to be submitted by this proviso must be filed in electronic format and in the form of 15 paper copies with the clerk of the council, who will retain the original and will forward paper copies to each councilmember and to the lead staff for the budget and fiscal management committee or its successor.

P6 PROVIDED FURTHER THAT:

Of this appropriation, \$50,000 shall only be expended or encumbered except after compliance with the requirements of this proviso. The office of management and budget shall submit quarterly reports by the deadlines specified in this proviso on expenditures associated with the November 2004 Washington State Supreme Court decision on second-degree felony murder cases, In re Personal Restraint Petition of Hinton. The office of management and budget, or its successor, shall coordinate with the prosecuting attorney's office, the office of the public defender, the superior court and the department of judicial administration to prepare these reports. The reports shall be submitted on a reporting format developed by the office of management and budget in collaboration with staff of the council, the prosecuting attorney's office, the office of the public defender, the superior court and the department of judicial administration. Each agency shall track expenditures in a discrete low org so actual costs may be accurately identified. The reports shall be submitted by the executive to the council no later than May 16, August 15 and November 1, 2005, for the first, second and third quarter reports respectively. The quarterly reports required to be submitted by this proviso must be filed in electronic format and in the form of 15 paper copies with the clerk of the council, who will retain the original and will forward paper copies to each councilmember and to the lead staff for the budget and fiscal management committee or its successor.

P 7 PROVIDED FURTHER THAT:

Of this appropriation, \$50,000 shall only be expended or encumbered to support the development by the office of management and budget, in conjunction with the facilities management division and the district court,

of a scope of work for the district court facilities master plan (FMP). This scope of work should be based upon the council's adopted district court operational master plan and shall include budget, schedule, tasks, milestones and criteria for consultant selection and request for proposals (RFP) development. The scope of work shall also include provisions for interaction between interested parties including: (1) a coordinated staff monitoring group that is comprised of executive, district court and council staff; and (2) an advisory group made up of representatives of the executive, district court, and contract city representatives.

SECTION 12. Ordinance 15083, Section 16, as amended, is hereby amended by adding thereto and inserting therein the following:

BUSINESS RELATIONS AND ECONOMIC DEVELOPMENT - From the current expense fund there is hereby appropriated to:

SHERIFF - From the current expense fund there is hereby appropriated to:

Sheriff \$4,205

ER1 EXPENDITURE RESTRICTION:

Of this appropriation \$25,000 shall be expended solely to fund marine patrol activities, provided that such funds may be expended only after the executive has certified that cities contracting with King County for police services have entered into agreements to provide equal matching funding to King County.

The certification shall be filed with the clerk of the council, who shall forward a copy to the chair and lead staff of the law, justice and human services committee or its successor.

ER2 EXPENDITURE RESTRICTION:

Of this appropriation, \$30,000 shall be expended solely to contract for a consultant to determine the extent of lead contamination at the old Cascade gun range site two miles east of Ravensdale.

ER 3 EXPENDITURE RESTRICTION

Of this appropriation, \$10,000 shall be expended solely for back-country sheriff patrols in the Mid-Fork area, in an effort to control illegal dumping and shooting and to assist the Friends of the Trail.

P1 PROVIDED THAT:

Of this appropriation, \$1,605,076 shall only be expended on costs associated with the violent crimes review team and homeland security functions. Further, of this appropriation, \$100,000 shall only be expended or encumbered after the sheriff's office submits quarterly reports on actual expenditures, revenues collected and a brief description of activities for the violent crimes review team and homeland security functions to the office of management and budget by April 20, July 20 and October 19, 2005, for the first, second and third quarter reports respectively. The reports shall be submitted on a reporting format developed collaboratively by staff from the council, the sheriff's office and the office of management and budget. If any of these deadlines is missed, appropriation authority for this \$100,000 shall lapse and it shall revert to fund balance. The executive shall forward the reports to the council by April 29, July 29 and October 28, 2005, respectively.

The plans and reports required to be submitted by this proviso must be filed in electronic format and in the form of 15 paper copies with the clerk of the council, who will retain the original and will forward paper copies to each councilmember and to the lead staff for the budget and fiscal management committee or its successor.

WATER AND LAND RESOURCES - From the water and land resources fund there is hereby

appropriated to:

Water and land resources \$224,595

ER1 EXPENDITURE RESTRICTION:

Of this appropriation, no funds shall be transferred to the King Conservation District until an ordinance is adopted authorizing the executive to enter into an interlocal agreement authorizing the transfer of such funding. The interlocal agreement shall specify the number of farm planning staff to be funded with this appropriation.

ER2 EXPENDITURE RESTRICTION:

Of this appropriation, \$78,623 and one FTE shall be used exclusively to restore the farm marketing specialist position.

ER3 EXPENDITURE RESTRICTION:

Of this appropriation, \$42,094 shall be expended solely for term-limited functions related to outreach and assistance to potential clients who may be eligible to participate in the current use taxation program.

ER4 EXPENDITURE RESTRICTION:

Of this appropriation, \$77,579 shall be expended solely to restore one forest planner FTE for a total of two forest planner FTEs within the forestry program.

ER5 EXPENDITURE RESTRICTION:

Of this appropriation, at least \$288,000 and 2.5 FTEs shall be expended solely on the small lakes program. This expenditure shall include monitoring lakes in the rural area and the following lakes: Mirror, Steel, Fivemile, Geneva, Killarney, North, Star and Trout.

P1 PROVIDED THAT:

Of this appropriation, \$208,000 shall be expended solely for groundwater protection services for cities and utilities after the executive certifies in writing that the county has entered into interlocal agreements with a city or a utility to fully fund all or part of these services. The amount of appropriation authority restricted by

this proviso shall decline automatically by the amount of revenue the executive certifies has been secured through the interlocal agreements. The certification shall be filed with the clerk of the council, who shall forward a copy to the chairs and lead staff of the budget and fiscal management committee and natural resources and utilities committees, or their successors.

P2 PROVIDED FURTHER THAT:

The 2005 budget includes a \$20,000 transfer from the current expense fund to the water and land resources fund in order to mitigate the impact of any loss of revenue to the water and land resources fund from the waiver of application fees for public benefit rating system applications. Of this appropriation, \$20,000 shall not be expended or encumbered until K.C.C. 23.36.040 is amended to authorize the waiver of this fee.

P 3 PROVIDED FURTHER THAT:

Since freshwater mussels are an indicator species of ecological health and can be found in Bear Creek, a critical salmon habitat system in King County, and since recent preliminary reports indicate that the health of the mussels is declining without clear indication of the cause of the decline, the water and land resource division shall estimate the cost to study the cause of the decline of the freshwater mussels in Bear Creek and report that cost to the King County council by September 15, 2005.

SECTION 47. Ordinance 15083, Section 69, as amended, is hereby amended by adding thereto and inserting therein the following:

AUTOMATED FINGERPRINT IDENTIFICATION SYSTEM - From the afis fund there is hereby disappropriated from:

Automated fingerprint identification system (\$98,139)

NOXIOUS WEED CONTROL PROGRAM - From the noxious weed fund there is hereby disappropriated from:

Noxious weed control program (\$5,316)

The maximum number of additional FTEs for noxious weed control program shall be:

5.33

SECTION 51. Ordinance 15083, Section 74, as amended, is hereby amended by adding thereto and inserting therein the following:

DEVELOPMENT AND ENVIRONMENTAL SERVICES - From the development and environmental services fund there is hereby disappropriated from:

Development and environmental services (\$179,482)

ER1 EXPENDITURE RESTRICTION:

Of this appropriation, \$293,000 shall be expended solely for two FTEs to respond without charge to questions from members of the public about critical areas standards and permitting through site visits, community meetings, classes and phone calls.

ER2 EXPENDITURE RESTRICTION:

Of this appropriation, \$50,000 is appropriated as one-time funding in 2005 and shall be expended by the

fire marshal to assist the fire marshal in research, outreach and the preparation of a public rule on wildfire prevention best management practices.

ER3 EXPENDITURE RESTRICTION:

Of this appropriation, \$100,000 shall be used to complete two subarea plans. One plan shall study the expansion of the east Redmond rural neighborhood in council district 3. The second plan shall study the nonconforming industrial uses along the Maple Valley highway in council district 12.

ER4 EXPENDITURE RESTRICTION

Of this appropriation, \$25,000 shall be expended solely for a Sammamish Valley sub-area plan.

P1 PROVIDED THAT:

The department shall develop and include in its business plan two permit efficiency performance measures as recommended by the King County auditor. By May 1, 2005, and every three months thereafter on the first of the month, the executive shall submit to the council data on the permit efficiency performance measures and on the percentage of site engineering reviews that are required to go through the "complex" review process.

The quarterly report must be filed in the form of 6 copies with the clerk of the council, who will retain the original and will forward copies to the chairs of the labor, operations and technology committee and the growth management and unincorporated areas committee, or their successors, the lead staff of these committees and the auditor.

If this proviso is violated, \$100,000 of this appropriation may not be expended or encumbered until the executive submits the required quarterly reports.

P2 PROVIDED FURTHER THAT:

Of this appropriation, \$30,000 in revenues from the current expense fund shall be expended solely to contract with an outside vendor to conduct exit interviews with a random selection of customers who have completed the permitting process. By May 1, 2005, and every three months thereafter on the first of the month,

the executive shall transmit the results of these exit interviews to the council and the auditor.

The quarterly report must be filed in the form of 6 copies with the clerk of the council, who will retain the original and will forward copies to the chairs of the labor, operations and technology committee and the growth management and unincorporated areas committee, or their successors, the lead staff of these committees and the auditor.

If this proviso is violated, \$100,000 of this appropriation may not be expended or encumbered until the executive submits the required quarterly reports.

SECTION 52. Ordinance 15083, Section 78, as amended, is hereby amended by adding thereto and inserting therein the following:

PARKS AND RECREATION - From the parks 2004 levy fund there is hereby disappropriated from:

Parks and recreation (85,946)

SECTION 53. Ordinance 15083, Section 79, as amended, is hereby amended by adding thereto and inserting therein the following:

PUBLIC HEALTH - From the public health fund there is hereby disappropriated from:

Public health (40,980)

ER1 EXPENDITURE RESTRICTION:

Of this appropriation, \$100,000 from the department overhead shall be transferred to the office of management and budget for development of an operational master plan for public health.

ER2 EXPENDITURE RESTRICTION:

Of this appropriation, \$100,000 shall be expended solely to maintain the drinking water protection supervisor position.

P1 PROVIDED THAT:

By March 31, 2005, the office of management and budget, in collaboration with the department of public health and staff of the council and the board of health, shall submit to the board of health and the council

for their review and approval, a detailed work plan for an operational master plan for public health.

The operational master plan shall have two phases. Phase I of the operational master plan shall provide a policy framework for meeting the county's public health responsibilities. It shall include a review of public health mandates, needs, policies and goals and recommend the adoption of comprehensive public health policies to guide future budgetary and operational strategies developed in phase II of the operational master plan. Phase II shall: (1) review the department of public health's functions and operations; (2) evaluate service delivery alternatives for meeting the public health needs of the community as effectively and efficiently as possible; and (3) develop recommended implementation and funding strategies. Phase I of the operational master plan shall be reviewed and approved by the board of health by resolution and the county council by motion. Phase II of the operational master plan shall be reviewed and approved by the council by motion with input from the board of health.

The work plan for the public health operational master plan shall include a scope of work, tasks, schedule, milestones and the budget and selection criteria for expert consultant assistance. In addition, the work plan shall also include proposals for: (1) an oversight group to guide development of the plan that shall include executive, council and board of health representation; (2) a coordinated staff group to support plan development; and (3) methods for involving funding and service provision partners and other experts in public health in the development of the operational master plan.

The work plan for the public health operational master plan must be filed in the form of 16 copies with the clerk of the council, who will retain the original and will forward copies to each councilmember, to the chair of the board of health and to the lead staff of the law, justice and human services committee or its successor.

P2 PROVIDED FURTHER THAT:

\$103,481 of this appropriation shall not be expended or encumbered until the Department of Public Health notifies the Council regarding the site selected for the tuberculosis satellite clinic and the award of grant

funds to support the project.

The information required by this proviso must be filed in the form of 17 copies with the clerk of the council who will retain the original and will forward copies to each councilmember, to the lead staff of the budget and fiscal management committee or its successor, to the lead staff of the law, justice, and human services committee or its successor, and to the council staff person assigned to the public health operational master plan.

WASTEWATER TREATMENT - From the water quality fund there is hereby disappropriated from:

Wastewater treatment (\$310,029)

SECTION 64. Ordinance 15083, Section 94, as amended, is hereby amended by adding thereto and inserting therein the following:

TRANSIT - From the public transportation fund there is hereby disappropriated from:

Transit (\$863,118)

ER1 EXPENDITURE RESTRICTION:

Of this appropriation, \$500,000 shall be expended solely for the operation and promotion of the 2005 Elliott Bay water taxi and related transit projects along the Harbor Avenue/Alki corridor as it has been shown that coordination of a multimodal, public transportation system reduces single occupancy vehicle (SOV) commuting and improves seasonal access to popular in-city recreation areas. Funding for the Elliott Bay water taxi shall come from one-time savings in the transit division's operating budget. The Elliott Bay water taxi shall operate between April 15 and September 30, 2005, at the same daily span and frequency as the 2003 service.

ER2 EXPENDITURE RESTRICTION:

Of this appropriation, \$60,000 shall be expended solely for taxi script subsidy.

P1 PROVIDED THAT:

Of this appropriation, \$500,000 shall not be expended or encumbered until the executive has submitted and the council has approved by motion a report and proposal for an accessible taxis demonstration program.

The report and proposed motion must be filed in the form of 15 copies with the clerk of the council, who will retain the original and will forward copies to each councilmember and to the lead staff of the transportation committee or its successor.

P2 PROVIDED FURTHER THAT:

The transit program shall provide twenty-six high-quality retired passenger vans for exclusive use by

nonprofit organizations or local governments that are able to address the mobility needs of low-income, elderly, disabled or young county residents. The council shall allocate vans by motion. Each agency selected to receive a van must enter into an agreement with King County that provides, among other things, that the agency shall defend and indemnify the county against any liability, be sufficiently insured to support the indemnity and defense obligation and be able to maintain and operate the van for its remaining useful life. The council finds that such provision of vans supports the county's public transportation function by: (1) reducing single occupancy trips, pollution and traffic congestion; (2) supplementing the services provided by the county's paratransit system; (3) and increasing mobility for the transit dependent for whom regular transit may not always be a convenient option.

SECTION 65. Ordinance 15083, Section 96, as amended, is hereby amended by adding thereto and inserting therein the following:

DOT DIRECTOR'S OFFICE - From the public transportation fund there is hereby disappropriated from:

FACILITIES MANAGEMENT - INTERNAL SERVICE - From the facilities management - internal service fund there is hereby appropriated to:

Facilities management - internal service \$12,221

The maximum number of additional FTEs for facilities management - internal service shall be: 4.34

P1 PROVIDED THAT:

Of this appropriation, \$500,000 shall not be expended or encumbered until the executive submits to the council a proposed motion establishing fund balance policies for the facilities management internal service fund and establishing a method for tracking space charge revenues and expenditures separately from fee-for-service

revenues and expenditures.

The motion shall be transmitted no later than March 31, 2005. The motion must be filed in the form 15 copies with the clerk of the council, who will retain the original and will forward copies to each councilmember and to the lead staff for the budget and fiscal management committee or its successor.

P2 PROVIDED FURTHER THAT:

No funds from this appropriation may be used for costs associated with the relocation of the office of the executive, the department of executive service administration, business relations and economic development, the office of management and budget, office of information resources management, the elections division or the information technology services division until the council, by motion, approves the location of any such agency.

This appropriation does not restrict expenditure on programming analysis associated with elections division offices in response to Motion 12099. This appropriation does not restrict expenditure associated with work education release (WER) relocation analysis. This appropriation does not restrict expenditure for programming of the following:

<u>Agency</u>	<u>Current Location</u>
