AN ORDINANCE relating to the creation of criminal court commissioner positions for the King County superior court; amending Ordinance 16819, Section 2, and adding a new section to K.C.C. chapter 2.69.

### STATEMENT OF FACTS:

1. The metropolitan King County council approved the creation of criminal court commissioners through Ordinance 16819, restricting criminal court commissioner appointments to existing authorized family law and mental health commissioners.
2. King County council made a supplemental appropriation through Ordinance 19319 for a project to reduce the criminal backlog existing in superior court, as a result of the worldwide COVID-19 pandemic and for the superior court to conduct resentencing hearings and to vacate of criminal convictions under *State v. Blake* decision.
3. Under RCW 2.24.010, King County superior court requests that the King County council remove the restriction of only hiring and appointing criminal commissioners from existing county family law or mental health commissioners for the purpose of the appropriated projects

referenced in subsection 2. of this section.
