AN ORDINANCE extending the required completion date for final report of the task force to make recommendations on the creation of a King County immigrant and refugee commission; and amending Ordinance 18085, Section 3.

PREAMBLE

In 2015, Ordinance 18085 directed the executive to convene a task force to develop a report and recommendations addressing the creation of an immigrant and refugee commission. A final report was due May 31, 2016. The task force has made progress in its assigned task, meeting regularly to develop the required recommendations. However, the task force has indicated that, given the review process it has undertaken to develop recommendations, completion of a final report and recommendations will require extension of the completion date to July 8, 2016.

B. By ~~((May 31))~~ July 8, 2016, the task force shall file its final report in the form of a paper original and an electronic copy with the clerk of the council, who shall retain the original and provide an electronic copy to all councilmembers and the executive.
