

report and a motion that acknowledges receipt of the report and said motion is adopted by council, and

WHEREAS, the King County executive has transmitted to the King County council the requested report, and

WHEREAS, the King County council has reviewed the report developed by the records and licensing services division, and

WHEREAS, \$150,000 was appropriated to support the implementation of new check processing hardware and software, and only \$21,768 was expended through July, 2012, and

WHEREAS, the records and licensing services division is dependent upon additional information and direction from the Washington state Department of Licensing before the remaining equipment and software can be acquired or developed, and

WHEREAS, it is the intent of the King County council to ensure the remaining appropriation is restricted to implementing the check processing equipment and software:

NOW, THEREFORE, BE IT MOVED by the Council of King County:

The report related to check processing equipment and software submitted in compliance with the 2012 Budget Ordinance, Ordinance 17232, Section 29, Proviso P1, records and licensing services, is hereby acknowledged; the \$150,000 restriction is hereby reduced to \$128,232 pending the county executive's transmittal of an updated report and motion related to expenditures by the vehicle vessel licensing section for new processing equipment to be used for check processing and license renewals.
