The selection of U.S. Bank National Association as Escrow Agent is hereby ratified and confirmed. The county may, from time to time, transfer, or cause to be transferred, from the Refunding Account any money not thereafter required for the purposes set forth in this subsection C.1.b. of this motion, subject to verification in writing by an independent certified public accountant that the transfer will not result in inadequate funds being available to make the required payments therefrom.

2. Redemption of Refunded Bonds. The county hereby irrevocably sets aside sufficient funds in the Refunding Account to make the payments specified in subsection C.1.b. of this motion. The county hereby directs that the Refunded Bonds be defeased and called for redemption on December 1, 2014, in accordance with the provisions of the indenture authorizing the redemption and retirement of the Refunded Bonds prior to their fixed maturities. Said defeasance and call for redemption of the Refunded Bonds shall be irrevocable after the final establishment of the Refunding Account and delivery of the requisite deposit to the Escrow Agent.

The Escrow Agent is hereby authorized and directed to give notice of the defeasance and redemption

of the Refunded Bonds in accordance with the applicable provisions of the indenture authorizing their issuance. The Finance Director is authorized and requested to provide whatever assistance is necessary to accomplish the defeasance and redemption and the giving of notices therefor. The costs of publication of the notices shall be an expense of the county.

The Escrow Agent is hereby authorized and directed to pay to the trustee for the Refunded Bonds sums sufficient to make, when due, the payments specified in subsection C.1.b. of this motion. All such sums shall be paid from the money deposited with the Escrow Agent in accordance with this section. All sums so paid shall be credited to the Refunding Account. All money deposited with the Escrow Agent and any income therefrom shall be held, invested and applied in accordance with the provisions of the Ordinance, the Escrow Agreement, and the laws of the State of Washington for the benefit of the county and the owners of the Refunded Bonds.

D. Findings of Saving and Defeasance. This council hereby finds and determines that the issuance and sale of the 2014A Bonds at this time will effect a savings to the county and its taxpayers. In making this finding and determination, the council has given consideration to the interest on and the fixed maturities of the 2014A Bonds and the county obligation to pay rent under the Lease with respect to the Refunded Bonds and the costs of issuance of the 2014A Bonds. The savings meet the Savings Target, as defined and described in the Ordinance.

E. Plan Effecting Transfer of Chinook Building. The Finance Director is hereby authorized and directed to undertake all action required to effect the Chinook Building Transfer upon the full defeasance or final maturity of all the outstanding GHP Bonds on December 1, 2014. County officials, and their agents, attorneys and representatives are hereby authorized and directed to do everything necessary to effect the Chinook Building Transfer upon such full defeasance or final maturity, including the assignment and termination (within 90 days of such title transfer) of the management contracts and other encumbrances on the Premises, in accordance with the terms of the Ordinance and the Rulings and to effect any necessary

amendment to the Lease, as defined and described in the Ordinance, to reflect the savings associated with the defeasance and redemption of the Refunded Bonds.

F. Continuing Disclosure Undertaking. In accordance with Section 18 of the Ordinance, the county will enter into an undertaking for continuing disclosure for the 2014A Bonds in substantially the form described in the Official Statement for the 2014A Bonds.
