AN ORDINANCE providing a supplemental appropriation of \$604,000 to the building repair and replacement fund and amending the 2014 Annual Budget Ordinance, Ordinance 17695, Section 63, as amended, and Attachment B as amended.

### PREAMBLE:

Built in 1908 as the new City Hall, the Yesler Building is an historic landmark owned by King County government. Over the years the county has used the building to house various programs and agencies. The recent consolidation of the public defense agencies into the King County department of public defense has created a need for contiguous space to accommodate the new

county employees. Predevelopment work will determine the feasibility of the adaptive reuse of the Yesler Building as a cost-efficient, long-term solution for colocating this vital public service.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. Ordinance 17695, Section 63, as amended, is hereby amended by adding thereto and inserting the following:

From the building repair and replacement fund there is hereby appropriated and authorized to be disbursed the following amounts for the specific project identified in this Attachment A to this ordinance.

<b>Fund</b>	<b>Fund Name</b>	<b>2014</b>
3951	BUILDING REPAIR AND REPLACEMENT SUBFUND	\$604,000
	<b>TOTAL GENERAL CIP</b>	<b>\$604,000</b>

SECTION 2. Attachment A to this ordinance hereby amends Attachment B to Ordinance 17695, as amended, by adding thereto and inserting therein the projects listed in Attachment A to this ordinance.
