A MOTION approving a report identifying the Renton Building B Failing Envelope and HVAC Rehabilitation project that will receive funding identified in Ordinance 17476, Section 35, Proviso P1, as amended.

WHEREAS, the King County council in adopting Ordinance 17476, Section 35, Proviso P1, as amended by Ordinance 17907, Section 3, stated that the \$2,941,152 supplemental appropriation to the county road construction fund for CIP project 1026789 RSD Cost Model Cont 386 shall not be expended or encumbered until the executive has transmitted, and the council has approved by motion, a report that identifies the project or projects that will receive this funding, and

WHEREAS, the King County executive has transmitted to the council a report that contains the required information responding to the proviso, and

WHEREAS, the road services division's first strategic priority is public safety, and

WHEREAS, people and equipment are the tools to deliver safety services on county roads; adequate tools, including heat, power, and weather tight facilities are necessary for accomplishing the work, and

WHEREAS, the proviso response report provides a description of the project, project justification, project scope, project cost and project schedule, and

WHEREAS, the council has reviewed the road services division report;

NOW, THEREFORE, BE IT MOVED by the Council of King County:

The Renton Building B Failing Envelope and HVAC Rehabilitation Project Report, which is attachment A to this motion, is hereby approved.
