A MOTION concerning the regional policy committee work program.

WHEREAS, the King County Charter establishes regional committees to develop, recommend and review regional policies and plans for consideration by the metropolitan county council, one of which is the regional policy committee, and

WHEREAS, the charter establishes the subject matter areas for the regional policy committee to be those countywide plans and policies included in the committee's work program, and

WHEREAS, the charter and K.C.C. 1.24.065 establish timeframes for the legislative review process for these countywide plans and policies within the subject matter adopted by the regional policy committee, and

WHEREAS, K.C.C. 1.24.065.I. and past practices have provided for the regional policy committee to consider, examine and comment on pending issues that are not countywide policies or plans within its subject

matter and therefore are not subject to the mandatory review process, and

WHEREAS, the Youth and Family Homelessness Prevention and the General Implementation Plans for the Best Starts for Kids Levy and the Mental Illness and Drug Dependency Service Implementation Plan are countywide plans or policies, and

WHEREAS, if these subject matter areas were included in the regional policy committee's work program, the legislation adopting these plans would be subject to the mandatory review process, and
