AN ORDINANCE authorizing the county executive to sign a twenty-five year sublease agreement enabling the Puget Sound Emergency Radio Network project to occupy and use the Snohomish County Emergency Radio System's Clearview site.

STATEMENT OF FACTS:

For the sublease from the Snohomish County Emergency Radio System, located at 8010 180th Street SE, Snohomish, Washington, the Puget Sound Emergency Radio Network project, with the oversight of the county's facilities management division, has determined that there is not an appropriate county-owned option, and has successfully negotiated a sublease with the

Snohomish County Emergency Radio System that will enable the Puget Sound Emergency Radio Network project to use the Clearview site.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. The executive is authorized to execute a sublease for the Clearview site with the Snohomish County Emergency Radio System, substantially in the form of Attachment A to this ordinance, and to take all actions necessary to implement the terms of the sublease.
