

WHEREAS, the COVID-19 emergency has further highlighted the vital role played by county government in protecting public health and safety, and

WHEREAS, the COVID-19 emergency has placed immense stress on state and local revenue sources, while dramatically increasing demand for critical public services, and

WHEREAS, King County is dependent on a strong fiscal partnership with the state in many areas, and

WHEREAS, King County has a limited number of revenue sources available to mitigate impacts of budget decisions at the state level, and

WHEREAS, King County's ability to deliver public health, human services, criminal justice and other basic services is directly impacted by decisions in the state budget, and

WHEREAS, the increasing cost of providing essential services to a growing King County population combined with an arbitrary cap on property tax revenue growth has created a structural gap in King County's general fund, and

WHEREAS, King County is dedicated to exploring with the state new ideas for sustained funding for critical services such as public health, transportation, criminal justice, health and human services and flood protection, and

WHEREAS, the King County council and the King County executive will continue to review legislative developments for possible revisions of King County's 2021 state legislative program;

NOW, THEREFORE, BE IT MOVED by the Council of King County:

The King County council adopts the King County 2021 State Legislative Agenda, Attachment A to this motion, as King County's highest priorities for action in the 2021 legislative session of the Washington state Legislature.
