WHEREAS, the board of supervisors of the King County Flood Control Zone District ("the District"), after holding a hearing on November 9, 2021, and after duly considering all relevant testimony presented, desires to increase its property tax revenue from the previous year by the additional amounts permitted under RCW 84.55.010, if any, resulting from new construction, improvements to property, newly constructed wind turbine, solar, biomass and geothermal facilities, any increase in the value of state-assessed property, any annexations that have occurred, and refunds made, and

WHEREAS, the board of supervisors duly considering all relevant evidence and testimony presented, determined that the District requires a regular levy in the amount of \$58,768,481, and amounts resulting from the addition of new construction and improvements to property and any increase in the value of state-assessed property, and amounts authorized by law as a result of any annexations that have occurred and refunds made, in order to discharge the expected expenses and obligations of the district and in its best interest;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE KING COUNTY FLOOD CONTROL ZONE DISTRICT:

SECTION 1. The District's actual levy amount from the previous year was \$57,901,556.
