WHEREAS, King County will continue to play a key role in the King County-Cities Climate Collaboration, whose members represent more than eighty percent of the population of the county, and which lays out a shared countywide vision for reducing health- and environment-threatening greenhouse gas emissions upon which the 2020 King County Strategic Climate Action Plan is built, and

WHEREAS, the 2020 King County Strategic Climate Action Plan strengthens the county's strategy to prepare for the impacts of a changing climate on local communities, infrastructure, economy, public health and safety and the natural environment, and

WHEREAS, consistent with Ordinance 17285, which authorized the interlocal agreement for the King County-Cities Climate Collaboration, and with Motion 14449, which adopted the 2015 King County Strategic Climate Action Plan, the executive was requested to coordinate with staff of the transportation, economy and environment committee, or its successor, in developing the annual work plans and budget for the King County-Cities Climate Collaboration under the interlocal agreement, and
