WHEREAS, Ordinances 14971 and 15218 require the development of four milestone reports leading up to the transmittal of the Waste Export System Plan, and

WHEREAS, the first milestone report on the Transfer System Level of Service Evaluation Criteria and Standards, approved by the King County council by Motion 12134, identified nineteen criteria for evaluating five of six existing urban King County transfer stations, and

WHEREAS, the second milestone report on the Analysis of Systems Needs and Capacity, approved by the King County council by Motion 12055, applied criteria 1 through 16 to the five existing urban transfer stations, and

WHEREAS, criteria 18 and 19 will be addressed in the fourth milestone report - Preliminary Transfer and Transport Facility Options, and Estimated System Costs, Rate Impacts and Financial Policy Assumptions, and

WHEREAS, the metropolitan solid waste management advisory committee ("MSWMAC") reviewed and made recommendations on the second milestone report, and

WHEREAS, MSWMAC requested that the solid waste division transmit the second milestone report to the county council for approval without applying Criterion 17, and

WHEREAS, MSWMAC has developed a set of objective subcriteria to address Criterion 17 - Local and Regional Considerations as an addendum to the second milestone report, and

WHEREAS, MSWMAC has reviewed and approved the addendum to the second milestone report;
