AN ORDINANCE relating to the 2006 levy of property taxes in King County for collection in the year 2007.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. The county assessor of King County has certified to the metropolitan King County council that the assessed valuation of the County of King as finally equalized amounts to \$297,017,721,517 and as adjusted for senior citizens exemptions provided for in RCW 84.36.381 and for omitted assessments in accordance with RCW 84.40.080 is \$295,010,009,784.

SECTION 2. The metropolitan King County council imposes the levies necessary to fund estimated expenditures for the year 2007 as listed in this section. These amounts do not include the total of estimated

revenues from sources other than taxation, including available surplus and such expenditures as are to be net from bond warrant issues. In accordance with state law, the King County assessor calculated a sum for property taxes available to the county related to new construction, improvements to property, refunds and any increase in the assessed value of state assessed property. In calculating the amount of regular property tax monies needed, the council was cognizant of these sums and they are therefore included in the following levy totals.
