The Refunded 1998 Series B Bonds shall be referred to in this motion as the Refunded Bonds. As provided in Section 14 of the Bond Ordinance, the King County 2008 Sewer Revenue Bonds Refunding Account (the "Refunding Account") shall be established and maintained with the Escrow Agent (as identified below). Proceeds of the Bonds (exclusive of accrued interest, if any, which shall be deposited into the Debt Service Account in the Bond Fund) shall be deposited in the Refunding Account and used, together with other funds of the county, if necessary, to purchase certain "Government Obligations" (which obligations so

purchased are herein called "Acquired Obligations"), bearing such interest and maturing as to principal and interest in such amounts and at such times that, together with any necessary beginning cash balance, will provide for the payment of the redemption price (101% of the principal amount plus accrued interest) payable on March 13, 2008, of the Refunded Bonds.

Any beginning cash balance and the Acquired Obligations shall be irrevocably deposited with the Escrow Agent in an amount sufficient to defease the Refunded Bonds in accordance with the ordinance authorizing the Refunded Bonds. Any amounts described above that are not provided for in full by such beginning cash balance and the purchase and deposit with the Escrow Agent of the Acquired Obligations shall be provided for by the irrevocable deposit of the necessary amount out of the proceeds of sale of the Bonds or any other money of the county legally available therefor. The proceeds of the Bonds remaining in the Refunding Account after acquisition of the Acquired Obligations and provision for the necessary beginning cash balance shall be utilized to pay expenses of the acquisition and safekeeping of the Acquired Obligations and the costs of issuing the Bonds. The county may, from time to time, transfer, or cause to be transferred, from the Refunding Account any money not thereafter required for the purposes set forth above, subject to verification in writing by an independent certified public accountant that such transfer will not result in inadequate funds being available to make the required payments therefrom. The county reserves the right to substitute other securities for the Acquired Obligations in the event it may do so pursuant to Section 148 of the Code and applicable regulations thereunder, upon compliance with the conditions set forth in the Escrow Agreement.

The selection of U.S. Bank National Association as Escrow Agent is hereby ratified and confirmed.

2. Redemption of Refunded Bonds. The county hereby sets aside sufficient funds through the purchase of the Acquired Obligations and an initial cash deposit to make the redemption payment specified above.

The county hereby defeases and calls for redemption on March 13, 2008, the Refunded Bonds in

accordance with the provisions of the ordinance authorizing the redemption and retirement of the Refunded Bonds prior to their fixed maturities. Said defeasance and call for redemption of the Refunded Bonds shall be irrevocable after the final establishment of the Refunding Account and delivery of the Acquired Obligations and any necessary cash deposit to the Escrow Agent, except as provided herein relating to the substitution of securities. The Finance Director is authorized and requested to provide whatever assistance is necessary to accomplish such defeasance and redemption.

The Escrow Agent is hereby authorized and directed to notify the fiscal agency of the State of Washington to give notice of the redemption of the Refunded Bonds in accordance with the applicable provisions of the ordinance authorizing their issuance. The Finance Director is authorized and requested to provide whatever assistance is necessary to accomplish such redemption and the giving of notice therefor. The costs of publication of such notice shall be an expense of the county.

The Escrow Agent is hereby authorized and directed to pay to the fiscal agency or agencies of the State of Washington sums sufficient to make, when due, the redemption payment specified above. Such sum shall be paid from the money and the Acquired Obligations deposited with the Escrow Agent pursuant to this section, and the income therefrom and proceeds thereof. Such sum so paid shall be credited to the Refunding Account. All money and Acquired Obligations deposited with the Escrow Agent and any income therefrom shall be held, invested and applied in accordance with the provisions of the Bond Ordinance and with the laws of the State of Washington for the benefit of the county and the owners of the Refunded Bonds.

3. Findings of Saving and Defeasance. This council hereby finds and determines that the issuance and sale of the Bonds at this time will effect a savings to the county and ratepayers of the System. In making such finding and determination, the council has given consideration to the interest on and the fixed maturities of the Bonds and the Refunded Bonds, the costs of issuance of the Bonds and the known earned income from the investment of the proceeds of sale of the Bonds pending redemption and payment of the Refunded Bonds.

This council hereby further finds and determines that the Acquired Obligations to be deposited with the

Escrow Agent and the income therefrom, together with any necessary beginning cash balance, are sufficient to defease and redeem the Refunded Bonds and will discharge and satisfy the obligations of the county with respect to the Refunded Bonds under the ordinance authorizing their issuance and the pledges of the county therein. Immediately upon the delivery of such Acquired Obligations to the Escrow Agent and the deposit of any necessary beginning cash balance, the Refunded Bonds shall be deemed not to be outstanding under their authorizing ordinance and shall cease to be entitled to any lien, benefit or security under such ordinance except the right to receive payment from the Acquired Obligations and beginning cash balance so set aside and pledged.

D. Undertaking to Provide Ongoing Disclosure.

1. Contract/Undertaking. In accordance with Section 25 of the Bond Ordinance, this Section D constitutes the county's written undertaking for the benefit of the owners and Beneficial Owners of the Bonds as required by Section (b)(5) of the Rule.

Such annual information and operatin data described above shall be provided on or before the end of seven months after the end of the county's fiscal year. The county's fiscal year currently ends on December 31. The county may adjust such fiscal year by providing written notice of the change of fiscal year to each then existing NRMSIR and the SID, if any. In lieu of providing such annual financial information and operating data, the county may cross-reference to other documents provided to the NRMSIR, the SID or to the Commission and, if such document is a final official statement within the meaning of the Rule, available from the Municipal Securities Rulemaking Board ("MSRB").

If not provided as part of the annual financial information discussed above, the county shall provide the county's audited annual financial statement prepared in accordance with BARS when and if available to each then existing NRMSIR and the SID, if any.

Solely for purposes of disclosure, and not intending to modify this undertaking, the county advises with reference to items (c) and (j) above that no debt service reserves secure payment of the Bonds and no property secures repayment of the Bonds.

4. Notification Upon Failure to Provide Financial Data. The county agrees to provide or cause to be provided, in a timely manner, to each NRMSIR or to the MSRB and to the SID, if any, notice of its failure to provide the annual financial information and operating data described in subsection 2 above on or prior to the date set forth in subsection 2 above.

5. Centralized Filing. Any filing required to be made with any NRMSIR or SID pursuant to the county's undertaking may be made by transmitting such filing solely to (i) the Texas Municipal Advisory Council (the "MAC") as provided in <<http://www.disclosureusa.org>> unless or until the SEC has withdrawn its approval of this submission process or (ii) any other entity for whom the SEC has provided interpretive advice to the effect that a filing solely with such entity shall satisfy an issuer's filing requirements under the Rule.

6. Termination/Modification. The county's obligations to provide annual financial information and notices of material events shall terminate upon the legal defeasance or payment in full of all of the Bonds. This section, or any provision hereof, shall be null and void if the county (i) obtains an opinion of nationally recognized bond counsel to the effect that those portions of the Rule that require this section, or any such provision, are invalid, have been repealed retroactively or otherwise do not apply to the Bonds; and (ii) notifies

each then existing NRMSIR and the SID, if any, of such opinion and the cancellation of this section.

Notwithstanding any other provision of this motion, the county may amend this Section D, and any provision of this Section D may be waived, with an approving opinion of nationally recognized bond counsel and in accordance with the Rule.

In the event of any amendment or waiver of a provision of this Section D, the county shall describe such amendment in the next annual report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the county. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a material event under subsection 3, and (ii) the annual report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

7. Bond Owner's Remedies Under This Section. The right of any Bond owner or Beneficial Owner of Bonds to enforce the provisions of this section shall be limited to a right to obtain specific enforcement of the county's obligations hereunder, and any failure by the county to comply with the provisions of this undertaking shall not be an event of default with respect to the Bonds hereunder. For purposes of this section, "Beneficial Owner" means any person who has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds, including persons holding Bonds through nominees or depositories.

E. Further Authority. The county officials, their agents, attorneys and representatives are hereby authorized and directed to do everything necessary for the prompt issuance and delivery of the Bonds and for the proper use and application of the proceeds of such sale.

F. Severability. If any provision in this motion is declared by any court of competent jurisdiction to be contrary to law, then such provision shall be null and void

and shall be deemed separable from the remaining provisions of this motion and shall in no way affect the validity of the other provisions of this motion or of the Bonds.
