needed transportation improvements.

2. 4. Each of these forums is expected to continue to provide valuable input on numerous policy, planning and implementation decisions.

5. The agreements:

a. Commit to staff support for their continuation through 2024;

b. Confirm the forums' responsibility to provide advice to King County on Metro transit department planning, development and implementation of products and services; and

c. Acknowledge the role of the SeaShore Transportation Forum, the South County Area Transportation Board and the Eastside Transportation Partnership in providing advice to Sound Transit, the Puget Sound Regional Council, the Washington state Department of Transportation and other transportation bodies.
