taxes levied to fund estimated expenditures for the year 2023 as listed in this section. These amounts do not include the total of estimated revenues from sources other than taxation, including available surplus and such expenditures as are to be net from bond warrant issues. In accordance with chapter 84.48 RCW, the King County assessor calculated a sum for property taxes available to the county related to new construction, improvements to property, refunds, and any increase in the assessed value of state assessed property. In calculating the amount of regular property tax moneys needed, the council was cognizant of these sums, and they are therefore included in the following levy totals.
