- e. a description of the activity or contract;
- f. the duration of the activity or contract;
- g. the projected dollar amount including identifying any need to access contingency funds;

h. planned versus actual accomplishment rate;

i. If applicable, the dollar amount in excess of appropriation, and

j. If applicable, any modifications to previously reported contracts that changes the information provided in prior reports.

2. The report shall be provided to the council in the form of an original and fourteen copies, which shall be filed with the clerk of the council, for distribution to all councilmembers, the council chief of staff, the council director of strategic policy initiatives, the lead staff to the budget and fiscal management committee and the lead staff of the government accountability and oversight committee, or their successors.

P16 PROVIDED FURTHER THAT:

A Green River flood preparation contingency project is established to allow reprogramming flexibility needed to respond in a timely manner to events beyond the control of the county in preparation and response to the flooding related to the Howard Hanson dam. The executive shall use the appropriated versus actual, as well as projected expenditure data contained in biweekly reports to the council, which are required under Proviso P15 of this section, as a means of determining the need to use contingency funds.

If within three business days of the filing of a biweekly report, no councilmember has objected to the encumbrance or expenditure via written notification transmitted to the executive the use of the contingency funds is authorized.

However, in the event of imminent risk, the executive may immediately use contingency funds and shall immediately provide electronic notice of contingency use to the council by distribution to all councilmembers, the council chief of staff, the council director of strategic policy initiatives, the lead staff to the budget and fiscal management committee and the lead staff of the government accountability and oversight committee, or their successors.

P17 PROVIDED FURTHER THAT:

Of this appropriation, \$75,000 shall not be expended or encumbered until the executive submits to the

council a proposal for a contract not to exceed eight months for an advisory animal disaster response incident command director to provide animal disaster response expertise, recommendations, planning and coordination in full cooperation with the king county office of emergency management and the council has reviewed and approved the proposal by motion. The advisory animal disaster response incident command director shall have experience as a animal disaster response incident command director, in accordance with the Federal National Incident Management system Appendix B, dated December 2008, in at least four nationally declared disasters, one of which must be in the state of Washington and have experience and training consistent with federal emergency management agency's comprehensive preparedness guidelines. The executive shall develop a work plan for the advisory animal disaster response incident command director, to more fully align the King County emergency plan for animals in the Howard Hanson dam and Green river flooding plan with the best standards, practices and concept of operations established by the Pierce county animal response team.

P18 PROVIDED FURTHER THAT:

Of this appropriation, all funds appropriated by this ordinance to the office of information resource management, shall be used solely for purposes directly related to the planning and mitigation of the Green River flood. The project review board shall review these expenditures on a monthly basis. For purposes of verifying these expenditures, the office of information resource management shall provide the project review board a detailed accounting of the prior month's expenditures and an explanation of how each expenditure is related to the planning and mitigation of the Green River flood. If any exceptions are identified, the project review board shall notify the council in writing.

The report shall be transmitted in the form of fourteen copies with the clerk of the council, who shall retain the original, and distribute a copy to all councilmembers, the council chief of staff, the council director of strategic policy initiatives, the lead staff to the budget and fiscal management committee and the lead staff to the government accountability and oversight committee, or their successors.

P19 PROVIDED FURTHER THAT:

The department of transportation, airport division shall provide quarterly reports to the council on the status of the Duwamish cleanup Slip 4, including progress and cost to date of any legal proceedings and next steps, explanation of any variance from previous estimates, and progress of the site cleanup. Any report required to be submitted by this proviso must be filed in the form of three paper copies and an electronic copy with the clerk of the council, who shall retain one paper copy and forward paper copies to the chair and lead staff of the budget and fiscal management committee or its successor, and electronic copies to each councilmember.

SECTION 2. Attachment A to this ordinance hereby amends Attachment B to Ordinance 16312, by adding and canceling additional projects to those listed in Attachment B to Ordinance 16312.
