

WHEREAS, King County's general fund suffers from a structural imbalance between the limited revenue authorities and the growth rate of expenditures, and

WHEREAS, the ongoing national recession has resulted in dramatic budget shortfalls at all levels of government across the nation, and

WHEREAS, the dramatic downturn of the economy has magnified the general fund's structural problem as forecast sales tax and interest earnings deteriorate and the cost of providing services increases due to rising inflation, and

WHEREAS, King County's ability to deliver health care, human services, and other basic services is directly impacted by reductions in the state budget, and

WHEREAS, the state's across-the-board reductions have already affected key functions of county departments and agencies, and

WHEREAS, King County is dedicated to exploring with the state new ideas for sustained funding for critical services such as transportation, criminal justice, health and human services and flood protection, and

WHEREAS, the King County council and the King County executive will continue to review legislative developments for possible revisions of King County's 2011 state legislative program;

NOW, THEREFORE, BE IT MOVED by the Council of King County:

The King County council adopts the attached King County 2011 State Legislative Agenda and King County 2011 Statement of State Policy as King County's highest priorities for action in the 2011 legislative session of the Washington state Legislature.
