WHEREAS, revenues and taxes were collected by the SWLSFCZD and were used to further the purposes of the SWLSFCZD, including the construction and maintenance of a number of storm water control facilities, and some portion of those collected revenues and taxes remain unspent; and

WHEREAS, on April 25, 2007, the King County council enacted Ordinance 15728, which authorized the formation of the King County Flood Control Zone District (“District”) and dissolved all previously existing flood control zone districts in King County, including the SWLSFCZD ; and

WHEREAS, Bellevue and King County have storm water management regulations and programs that address storm water conveyance and have financing mechanisms to fund the programs; and

WHEREAS, the original purposes for which the SWLSFCZD was established can now be satisfied by the storm water programs of Bellevue and King County; and

WHEREAS, the District, King County and Bellevue (the "parties") desire that the responsibilities of the former SWLSFCZD, and all of its facilities, funds and property interests, be transferred to Bellevue or King County; and

WHEREAS, the parties agree that any storm water related real property interests that are owned by King County within both the former SWLSFCZD's boundaries and Bellevue's municipal boundaries should also be transferred to Bellevue; and

WHEREAS, pursuant to chapter 39.34 RCW, the Interlocal Cooperation Act, the parties are each authorized to enter into an agreement for cooperative action; now, therefore
