BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

**SECTION 1. Findings:** In addition to land use and environmental matters, the office of the hearing examiner has jurisdiction over numerous appeals from disparate arenas such as lobbyist disclosure, discrimination in contracting, and fair employment practices. There is currently a lack of uniformity in terms of appeal deadlines, what would-be appellants must deliver at those deadlines and to whom appeals must be delivered. In addition, many current appeal procedures, including most land use and environmental matters, first require a notice of appeal, followed a week later by a full statement of appeal. This creates two sets of filings and does not assist examiner processing times. In order to create consistency between appeal types, to make the system more understandable for its users and to streamline the required paperwork and process for citizens, the council finds that special circumstances exist that warrant a review process different from that provided in RCW 36.70B.110; most matters of examiner appellate jurisdiction should be governed by the appeal process described in section 18 of this ordinance.

**SECTION 2.** There is hereby established a new chapter in K.C.C. Title 20. The new chapter shall contain section 4 of this ordinance, K.C.C. 20.24.020, as recodified by this ordinance, section 8 of this ordinance, K.C.C. 20.24.080, as recodified by this ordinance, K.C.C. 20.24.072, as recodified by this ordinance, K.C.C. 20.24.070, as recodified by this ordinance, section 16 of this ordinance, K.C.C. 20.24.090, as recodified by this ordinance, K.C.C. 20.24.095, as recodified by this ordinance, section 21 of this ordinance, K.C.C. 20.24.140, as recodified by this ordinance, K.C.C. 20.24.145, as recodified by this ordinance, K.C.C. 20.24.150, as recodified by this ordinance, K.C.C. 20.24.180, as recodified by this ordinance, K.C.C. 20.24.190, as recodified by this ordinance, K.C.C. 20.24.510, as recodified by this ordinance, K.C.C. 20.24.400, as recodified by this ordinance, K.C.C. 20.24.195, as recodified by this ordinance, K.C.C.

When the examiner makes a decision regarding an application for a proposed preliminary plat, the decision shall include additional findings as to whether:

A. Appropriate provisions are made for the public health, safety((;)) and general welfare and for such open spaces, drainage ways, streets or roads, alleys, other public ways, transit stops, potable water supplies, sanitary wastes, parks and recreation, playgrounds, schools and school grounds and all other relevant facts, including sidewalks and other planning features that assure safe walking conditions for students who only walk to and from school; and

An offer of payment of a school impact fee as required by ordinance shall not be a substitute for the phasing, but the fee is still assessable. The examiner shall recommend a payment schedule for the fee to coordinate the payment with phasing of an impact mitigation fee if the provision or payment is satisfactory to the district. The examiner must determine independently that the conditions of approval and assessable fees will provide for adequate schools.))~~ If the examiner determines that the public schools in the district where the development is proposed would not meet the standards in K.C.C. 21A.28.160 if the development were approved, the examiner either shall remand the matter to the department of permitting and environmental review or shall require or recommend phasing or provision of the needed facilities and sites as appropriate to address the deficiency or shall deny the proposal. The examiner shall prepare findings to document the facts that support the action

taken. Payment of a school impact fee as required by K.C.C. chapter 27.44 is not a substitute for phasing. The examiner must determine independently that the conditions of approval and assessable fees will provide for adequate schools.

The council should schedule consideration of the appeal within sixty days of the filing of the response to the appeal statement. Failure of the council to consider the appeal within the time limit does not

terminate the council's jurisdiction.

B. C. ~~((The))~~ An examiner may conduct a conference with all parties ~~((to the appeal))~~ for the purpose of clarifying or attempting to resolve ~~((ertain))~~ issues on appeal, but the ~~((deputy))~~ examiner who conducted the public hearing on the proposal may not conduct the conference. ~~((Such a))~~ The conference shall be informal and shall not be part of the public record.

D. If, after consideration of the record, written appeal statements, responses and replies and any oral argument the council determines that:

The examiner's decision or recommendation ~~((of the examiner))~~ is based on an error in judgment or conclusion, the council may modify or reverse the examiner's decision or recommendation ~~((of the examiner))~~, ~~((but))~~ or the council ~~((s land use appeal committee))~~ may retain the matter, refer it to ~~((other))~~ a council

committee or remand to the examiner for ~~((the purpose of))~~ further hearing, receipt of additional information or further consideration ~~((if determined necessary))~~ before the ~~((council's taking))~~ council takes final action on the matter.

A. Where a complaint alleging a violation of this chapter has been filed by any individual or entity, including a contract awarding authority, within six months of the completion of all work on a contract alleging a violation of this chapter by a contractor or where, within that same ((time)) period, evidence of a violation is discovered from information gained through compliance monitoring or auditing, the administrator shall cause to be served or mailed, by certified mail, return receipt requested, a copy of the complaint or notice of

investigation on the respondent within twenty days after the filing of said charge and shall promptly make an investigation thereof. If a party selected by the administrator conducts the investigation, the costs of such an investigation shall be borne by the department or project, as applicable, for which the contract was awarded. 2. The results of the investigation shall be reduced to written findings of fact and a finding shall be made that there either is or is not reasonable cause for believing that a violation has been or is being committed. If a finding is made that there is no reasonable cause, said finding shall be served on the complainant and respondent. Within thirty days after service of such negative finding, the complainant shall have the right to file a written request with the administrator asking for reconsideration of the finding. The administrator shall respond to such request in writing within a reasonable time by granting or denying the request and specifying the reasons for either granting or denying the request.

B.1. If the finding is made initially or on request for reconsideration that reasonable cause exists to

believe that a violation by a contractor subcontractor has occurred, the administrator shall endeavor to remedy the violation by conference, conciliation and persuasion, which may, by agreement of the parties, include monetary compensation, the creation of additional opportunities for the employment of persons on other contracts, or such other requirements as may lawfully be agreed upon by the parties and the administrator. Any settlement agreement shall be reduced to writing and signed by both parties. An order shall then be entered by the administrator setting forth the terms of the agreement. E. In the case where the alleged violator is the contract awarding authority and a finding is made that there is reasonable cause to believe that the contract awarding authority has committed a violation, the finding shall be forwarded to the executive, who shall review the evidence and may order one or more of the following:

1. Dismissal of the complaint when a violation is found not to have occurred;
2. Corrective personnel action;

B. A shoreline redesignation initiated by an applicant must include the following information in addition to the requirements in this section:

1. Applicant information, including signature, telephone number and address;
2. The applicant's interest in the property, such as owner, buyer or consultant; and
3. Property owner concurrence, including signature, telephone number and address.

2. Description of the proposed amendment;
3. Property description, including parcel number, property street address and nearest cross street;
4. County assessor's map outlining the subject property; and
5. Related or previous permit activity.

~~((C-))~~ D. Upon initiation of a site-specific land use map or shoreline master program map amendment, an initial review conference ~~((will))~~ shall be scheduled by the department of permitting and environmental review. The owner or owners of record of the property shall be notified of and invited to attend the initial review conference. At the initial review conference, the department ~~((will))~~ of permitting and environmental review shall review the proposed amendment's consistency with applicable county policies or regulatory enactments including specific reference to ~~((e))~~Comprehensive ~~((p))~~Plan policies, countywide planning policies and state Growth Management Act requirements. The proposed amendment will be classified in accordance with K.C.C. 20.18.040 and ~~((this information either will))~~ the classification shall be provided at the initial review conference or in writing to the owner or owners of record within thirty days after the initial review conference.

~~((F))~~ K.1. ~~((N))~~ An amendment to a land use designation or shoreline environment designation for a property may not be initiated unless at least three years have elapsed since council adoption or review of the current designation for the property. This time limit may be waived by the executive or the council if the proponent establishes that there exists either an obvious technical error or a change in circumstances justifying the need for the amendment.

2. A waiver by the executive shall be considered after the proponent has submitted a docket request in accordance with K.C.C. 20.18.140. The executive shall render a waiver decision within forty-five days of receiving a docket request and shall mail a copy of this decision to the proponent.

A reclamation plan approved in accordance with chapter 78.44 RCW shall be submitted before the effective date of a zone reclassification in Mineral-zoned properties or the acceptance of any development proposal for a subsequent use in Forest-zoned properties. The zone reclassification shall grant potential zoning that is only to be actualized, under K.C.C. chapter ((20.24)) 20.xx (the new chapter created under section 2 of this ordinance), upon demonstration of successful completion of all requirements of the reclamation plan.

Development proposals in the Forest zone for uses subsequent to mineral extraction operations shall not be approved until demonstration of successful completion of all requirements of the reclamation plan except that

forestry activities may be permitted on portions of the site already fully reclaimed.

C. Mineral extraction operations that are not required to have an approved reclamation plan under chapter 78.44 RCW shall meet the following requirements:

1. Upon the exhaustion of minerals or materials or upon the permanent abandonment of the quarrying or mining operation, all nonconforming buildings, structures, apparatus or appurtenances accessory to the quarrying and mining operation shall be removed or otherwise dismantled to the satisfaction of the director;

2. Final grades shall:

a. be such so as to encourage the uses permitted within the primarily surrounding zone or, if applicable, the underlying or potential zone classification; and

b. result in drainage patterns that reestablish natural conditions of water velocity, volume, and turbidity within six months of reclamation and that precludes water from collecting or becoming stagnant.

Suitable drainage systems approved by the department shall be constructed or installed where natural drainage conditions are not possible or where necessary to control erosion. All constructed drainage systems shall be designed consistent with the Surface Water Design Manual;

3. All areas subject to grading or backfilling shall:

7. Waste or soil piles shall be used for grading, backfilling or surfacing if permissible under this section, then covered with topsoil and planted in accordance with subsection C.3. and 6. of this section. Waste or soil piles not acceptable to be used for fill in accordance with this chapter or as top soil in accordance with subsection C.3. of this section shall be removed from the site; and

8. Where excavation has exposed natural materials that may create polluting conditions, including but not limited to acid-forming coals and metalliferous rock or soil, such conditions shall be addressed to the satisfaction of the department. The final ground surface shall be graded so that surface water drains away from any such materials remaining on the site.

1. Generally seek to achieve a twenty-five-foot buffer of diverse, mature vegetation between grazing areas and the ordinary high water mark of all type S and F aquatic areas and the wetland edge of any category I, II or III wetland with the exception of grazed wet meadows, using buffer averaging where necessary to accommodate existing structures. The livestock management component of a farm management plans may vary the width of the buffer of an aquatic area or wetland, and the time and duration of animal exclusion throughout the year, according to guidelines agreed upon by King County and the King Conservation District. The guidelines may support a different buffer width based on both the nature of the farm operation and the function and sensitivity of the aquatic area or wetland. The plan must include best management practices that avoid having manure accumulate in or within ten feet of type N or O waters. Forested lands being cleared for grazing areas shall comply with the critical area buffers in K.C.C. chapter 21A.24;

2. Assure that drainage ditches on the site do not channel animal waste to aquatic areas and wetlands;

3. Achieve an additional twenty-foot buffer downslope of any confinement areas within two hundred feet of type S and F waters. This requirement may be waived for existing confinement areas on lots of two and one-half acres or less in size if:

a. a minimum buffer of twenty-five feet of diverse, mature vegetation is achieved;

b. manure within the confinement area is removed daily during the winter season from October 15 to April 15, and stored in accordance with K.C.C. 21A.30.060.D.; and

c. additional best management practices, as recommended by the King Conservation District, are implemented and maintained; and

(3) the alteration is the minimum necessary to accommodate the development proposal;

(4) the alternation has the least possible adverse impact on the critical area and critical area buffer;

(5) the critical area is not used as a salmonid spawning area;

(6) the director may only approve an alteration in a category III or IV wetland; and

(7) the alterations to any wetland shall be mitigated in accordance with an approved mitigation plan by relocating the wetland into a new wetland, with equivalent or greater functions, or into an existing wetland at the ratios specified in K.C.C. 21A.24.340 based on the type of mitigation measures proposed.

7. Develop and implement an adaptive management program to correct any flow, surface or ground water quality, or biotic problem in Big Soos or Soosette creeks caused by the development.

I. Site development that entails extraction and grading of soils to achieve the final site contours for development shall be subject to the following limits:

1. The amount of materials that may be extracted during any specific phase of project construction shall be only as necessary to construct that phase of the project approved for construction; and

2. The on-site processing of the extracted materials shall be limited to the sorting of the material into separate dirt, sand and gravel components.

J. The master planning proposal shall include site designs and features to reduce the level of noise impacts upon nearby residential neighborhoods.

K. The department shall:

7. Conduct one or more public meetings on the master planning proposal application to gather information and public input on all aspects of the master planning proposal. The first meeting shall be held within thirty days after the applicant has filed its master planning proposal application with the department and may be combined with a public meeting required under Ordinance 17287, Section 5.D.4. At that public meeting, the applicant shall present its master planning proposal. At each public meeting, the public shall be

(3) that interested persons may appear as parties at the open record public hearing by filing a notice of appearance with the hearing examiner within fourteen days of the date that the department's recommendation has been transmitted to the hearing examiner. The applicant will be presumed to be a party without having to file a notice of appearance.

L.1. Before the transmittal of the department's recommended development and operating agreement to the hearing examiner, the transportation, economy and environment committee or its applicable successor may request reports or briefings from the department and applicant regarding how the demonstration project is proceeding. The department shall solicit input from those identified in subsection K.5.a. through c. of section to inform the committee in the report and briefing.

2. If the department or the applicant is unable to meet a timeline established by this section as part of the process for review of the master planning proposal, the department shall provide written notice to the council within fourteen days after the missed deadline in the form of a letter to the chair of transportation, economy and environment committee or its applicable successor describing the causes for the delay, and the steps or actions needed to be taken by the department or the applicant to continue timely processing of the proposal.

M.1. No sooner than fourteen days after receiving the department's recommended development and operating agreement, the hearing examiner shall set the date for the prehearing conference and notify the parties of interest.

2. Unless otherwise agreed to by those that appear as parties, the hearing examiner shall conduct an open record public hearing within ninety days of the prehearing conference and, if necessary, shall hold the public hearing over consecutive days.

4. The hearing examiner's recommendation may be to approve or reject the department's recommended development and operating agreement, or the examiner may recommend that the council adopt the department's recommended development and operating agreement with such conditions, modifications and restrictions as the examiner finds necessary to carry out applicable state laws and regulations and the regulations, including chapter 43.21C RCW, policies, objectives and goals of the Comprehensive Plan, the zoning code K.C.C. Title 21A and other laws, policies and objectives of King County.

5. Within fourteen days after the conclusion of the open record public hearing, the hearing examiner shall issue a written recommendation and shall transmit a copy thereof to all persons who appeared as parties in the open record public hearing. Consistent with RCW 36.70B.020(1), before or at the appeal hearing and upon the request of the council, county staff may provide a written or oral summary, or both, of the appeal record, issues and arguments presented in an appeal and may provide answers, based on the record, to questions with respect to issues raised in an appeal asked by council members at the appeal hearing. Nothing in this subsection shall be construed as limiting the ability of the council to seek and receive legal advice regarding a pending appeal from the office of the prosecuting attorney or other county legal counsel either within or outside of the hearing.

8. If, after consideration of the record, written appeal statements and any oral argument the council determines that:

a. An error in fact or procedure may exist or additional information or clarification is desired, the council shall remand the matter to the hearing examiner for further hearing to receive additional information or further consideration; or

The council may adopt as its own all or portions of the hearing examiner's findings and conclusions.

b. Any ordinance also may contain reasonable conditions, in accordance with state law and county ordinances, which must be satisfied before the ordinance becomes effective. The ordinance shall also designate the time period within which any such conditions must be satisfied. All authority pursuant to such ordinance shall expire if any of the conditions are not satisfied within the designated time period and the property shall continue to be subject to all laws, regulations and zoning as if the ordinance had not been adopted. The council may extend the period for satisfaction of the conditions if, after a public hearing by the examiner, the council finds an extension will be in the public interest and the extension was requested by the applicant within the initial time period.

N. If the hearing examiner's recommendation is not appealed pursuant to subsection M. of this section:

1. The clerk of the council shall place a proposed ordinance that implements the examiner's recommended action on the agenda of the next available council meeting for adoption;

SECTION 141. Ordinance 13263, Section 8, as amended, and K.C.C. 23.02.070 are each hereby amended to read as follows:

A. The department shall determine, based on information derived from sources such as field observations, the statements of witnesses, relevant documents and data systems for tracking violations and applicable county codes, whether or not a violation has occurred. As soon as a department has reasonable cause to determine that a violation has occurred, it shall document the violation and promptly notify the owner, occupant or other person responsible for code compliance.

B. Except as provided in subsection D. of this section, a warning shall be issued verbally or in writing promptly when a field inspection reveals a violation, or as soon as the department otherwise determines that a violation has occurred. The warning shall inform the person determined to be responsible for code compliance of the violation and shall include a reference to the applicable permit or zoning condition, ordinance or code related to the violation. The warning shall also allow the person an opportunity to correct the violation or enter into a voluntary compliance agreement as provided for by this title. Verbal warnings shall be logged and followed up with a written warning within two weeks, and the site shall be reinspected within thirty days.

C. The guidelines in this section for warnings, notifications and reinspections are not jurisdictional, and failure to meet them in any particular case shall not affect the county's authority to enforce county code provisions with regard to that case.

D. No warning need be issued in cases involving, emergencies that pose an imminent threat to environmental health or to the public safety.

E. A department may issue a citation if it determines that the violation is likely to be a one-time occurrence or is likely to be fully corrected in a reasonable period of time.

F. A department may issue notice and orders in cases where it determines that the violation is unlikely to be fully corrected in a reasonable period of time.

G. The department shall use all reasonable means to determine and cite the person or persons actually responsible for the violation occurring when the owner has not directly or indirectly caused the violation.

H. If the violation is not corrected or a voluntary compliance agreement is not achieved within a reasonable time ((period)), a citation, notice and order or stop work order should be issued. As a guideline, citations should be issued within sixty days from receipt of a complaint, and notice and orders should be issued within one hundred twenty days from receipt of a complaint. Stop work orders should be issued promptly upon discovery of a violation in progress.

I. Any complainant who provides a mailing address and requests to be kept advised of enforcement

efforts should be mailed a copy of all written warnings, voluntary compliance agreements, citations, notice and orders, stop work orders and notices of settlement conferences issued by a department with regard to the alleged violation. Any complainant who is an aggrieved person and who alleges a violation of K.C.C. chapter 9.12, 16.82 or 21A.24 may appeal a citation, notice and order, stop work order or a determination not to issue a citation or order under K.C.C. chapter ((20.24)) 20.xx (the new chapter created under section 2 of this ordinance). The appeal under this subsection shall be considered a civil proceeding, and any decision to pursue criminal sanctions shall remain the obligation of the prosecuting attorney, as set out in K.C.C. 23.02.030.

SECTION 142. Ordinance 13263, Section 9, as amended, and K.C.C. 23.02.080 are each hereby amended to read as follows:

A. Service of a citation, notice of compliance, notice and order or penalty waiver decision shall be made on a person responsible for code compliance by one or more of the following methods:

1. Personal service of a citation, notice of noncompliance, notice and order or penalty waiver decision may be made on the person identified by the department as being responsible for code compliance, or by leaving a copy of the citation or notice and order at that person's house of usual abode with a person of suitable age and discretion who resides there.

2. Service directed to either the landowner or occupant of the property, or both, may be made by posting the citation, notice of noncompliance, notice and order or penalty waiver decision in a conspicuous place on the property where the violation occurred and concurrently mailing notice as provided for below, if a mailing address is available.

3. Service by mail may be made for a citation, notice of noncompliance, notice and order or penalty waiver decision by mailing two copies, postage prepaid, one by ordinary first class mail and the other by certified mail, to the person responsible for code compliance at the person's last known address, at the address of the violation or at the address of the person's place of business. The taxpayer's address as shown on the tax records of the county shall be deemed to be the proper address for the purpose of mailing such notice to the

landowner of the property where the violation occurred. (~~Service by mail shall be presumed effective upon the third business day following the day upon which the citation, notice of noncompliance, notice and order or penalty waiver decision was placed in the mail.~~)

B. For notice and orders only, when the address of the person responsible for code compliance cannot reasonably be determined, service may be made by publication once in a local newspaper with general circulation.

C. Service of a stop work order on a person responsible for code compliance may be made by posting the stop work order in a conspicuous place on the property where the violation occurred or by serving the stop work order in any other manner permitted by this section.

D. The failure of the director to make or attempt service on any person named in the citation, notice of noncompliance notice and order, stop work order or penalty waiver decision shall not invalidate any proceedings as to any other person duly served.

SECTION 143. Ordinance 13263, Section 10, as amended, and K.C.C. 23.02.090 are each hereby amended to read as follows:

A. Whenever the applicable department determines that a code violation has occurred or is occurring, the department shall make reasonable efforts to secure voluntary compliance from the person responsible for code compliance. Upon contacting the person responsible for code compliance, the department may enter into a voluntary compliance agreement as provided for in this section.

B. A voluntary compliance agreement may be entered into at any time after issuance of a verbal or written warning, a citation, a notice and order or a stop work order and before an appeal is decided pursuant to K.C.C. chapter (~~(20.24)~~) 20.xx (the new chapter created under section 2 of this ordinance).

C. The voluntary compliance agreement is a commitment by the person responsible for code compliance under which the person agrees to do any combination of abating the violation, remediating the site or mitigating the impacts of the violation. The voluntary compliance agreement shall include the following:

1. The name and address of the person responsible for code compliance;
2. The address or other identification of the location of the violation;
3. A description of the violation and a reference to the provision or provisions of the ordinance, resolution or regulation that has been violated;
4. A description of the necessary corrective action to be taken and identification of the date or time by which compliance must be completed. For the purpose of this subsection C.4., the department may either require that compliance be achieved by a specific date or that compliance be achieved by a date to be determined based on the occurrence of some future event;
5. The amount of the civil penalty that will be imposed pursuant to K.C.C. chapter 23.32 if the voluntary compliance agreement is not satisfied;
6. An acknowledgment that the voluntary compliance agreement will be recorded against the property in the records and licensing services division, the recording to be accomplished as provided for in notice and order cases;
7. An acknowledgment that if the department determines that the terms of the voluntary compliance agreement are not met, the department may issue a notice of noncompliance, and if the notice of noncompliance is not successfully appealed pursuant to K.C.C. 20.24.090, as recodified by this ordinance, that the county may, without issuing a citation, notice and order or stop work order, impose any remedy authorized by this title, which includes the assessment of the civil penalties identified in the voluntary compliance agreement, abatement of the violation, assessment of the costs incurred by the county to pursue code compliance and to abate the violation, including legal and incidental expenses, and the suspension, revocation or limitation of a development permit;
8. An acknowledgment that if any assessed penalty, fee or cost is not paid, a director may charge the unpaid amount as a lien against the property where the civil code violation occurred if owned by the person responsible for code compliance, and that the unpaid amount may be a joint and several personal obligation of

all persons responsible for code compliance;

9. An acknowledgment that by entering into the voluntary compliance agreement the person responsible for code compliance thereby admits that the conditions described in the voluntary compliance agreement existed and constituted a civil violation; and that the person responsible waives the right to administratively appeal the existence of the conditions and the fact that they constituted a civil code violation, and that if a notice of noncompliance is issued and not successfully appealed, the person is subject to and liable for any remedy authorized by this title, which includes the assessment of the civil penalties identified in the voluntary compliance agreement, abatement of the violation, assessment of the costs incurred by the county to pursue code compliance and to abate the violation, including legal and incidental expenses, and the suspension, revocation or limitation of a development permit; and

10. An acknowledgment that the person responsible for code compliance understands that he or she knowingly, voluntarily and intelligently waives the right to administratively appeal a citation, notice and order or stop work order for any violation identified in the voluntary compliance agreement.

D. Upon entering into a voluntary compliance agreement, a person responsible for code compliance admits that the conditions described in the voluntary compliance agreement existed and constituted a civil code violation; and agrees that if the department issues a notice of noncompliance, and if the notice of noncompliance is not successfully challenged through administrative appeal, he or she is liable for the civil penalty available under K.C.C. chapter 23.32. The person identified in the voluntary compliance agreement is liable for the costs incurred by the county to pursue code compliance and to abate the violation, including legal and incidental expenses as provided for in K.C.C. chapter 23.24 and is subject to all other remedies provided for in this title.

E. An extension of the time limit for compliance or a modification of the required corrective action may be granted by the department if the person responsible for code compliance has shown due diligence or substantial progress in correcting the violation, but circumstances render full and timely compliance under the

original conditions unattainable.

F. The voluntary compliance agreement is not a settlement agreement.

SECTION 144. Ordinance 13263, Section 11, as amended, and K.C.C. 23.02.100 are each hereby amended to read as follows:

If the department determines that terms of the voluntary compliance agreement are not completely met, the director may issue a notice of noncompliance. A notice of noncompliance shall include a description of all incomplete or untimely corrective or abatement action required under the voluntary compliance agreement. The notice of noncompliance shall also include the civil penalty to be imposed based upon the failure to comply with the voluntary compliance agreement. The person or persons responsible for code compliance may appeal the facts and conclusions described in the notice of noncompliance as provided by K.C.C. 20.24.090, as recodified by this ordinance. If the director issues a notice of noncompliance, and the notice of noncompliance is not successfully challenged through administrative appeal, the department may abate the violation in accordance with this title, and the person responsible for code compliance may, without being issued a citation, notice and order or stop work order, be assessed a civil fine or penalty, in accordance with the penalty provisions of the voluntary compliance agreement, plus all costs incurred by the county to pursue code compliance and to abate the violation, including legal and incidental expenses as provided for in this title, and may be subject to other remedies authorized by this title. Penalties imposed when a voluntary compliance agreement is not met accrue from the date that notice of noncompliance was issued.

SECTION 145. Ordinance 12024, Section 7, and K.C.C. 23.10.070 are each hereby amended to read as follows:

A. The owner of the land on which the vehicle is located may appear in person at the hearing or present a written sworn statement in time for consideration at the hearing. The owner may deny responsibility for the presence of the vehicle on the land stating the reason for such denial. If it is determined by the hearing officer that the vehicle was placed on the land without consent of the land owner and that the land owner has not

subsequently acquiesced in its presence, then costs of administration or removal of the vehicle shall not be assessed against the property upon which the vehicle is located nor otherwise be collected from the land owner.

B. Nothing in this chapter shall relieve the landowner of any civil penalties which may accrue from any zoning code violation related to the improper placement, parking or storage of vehicles or parts thereof to which the landowner has consented or acquiesced.

C. In addition to determination of responsibility as provided for in paragraph A, the hearing examiner shall receive and examine evidence on other relevant matters, including whether a public nuisance as defined in this chapter exists. The decision of the hearing examiner shall be final. Any further ~~((approval))~~ appeal shall be as prescribed in K.C.C. 20.24.240.B., as recodified by this ordinance.

SECTION 146. Ordinance 13263, Section 16, as amended, and K.C.C. 23.20.020 are each hereby amended to read as follows:

A. A citation represents a determination that a civil code violation has been committed and that the person cited is a person responsible for code compliance. The determination is final unless contested as provided in this title.

B. Subject to K.C.C. 23.02.130, a citation subjects the person responsible for code compliance to the civil fine prescribed by K.C.C. chapter 23.32.

C. Subject to K.C.C. 23.02.140, a citation may subject the person responsible for code compliance to an illegal dumping cleanup restitution payment.

D. The person issued a citation shall respond to the citation as provided in K.C.C. 23.20.060 and 23.20.070 within ~~((fourteen))~~ seventeen days of the date of service of the citation.

E. Failure to respond to the citation within ~~((fourteen))~~ seventeen days shall render the citation a final determination that the conditions described in the citation existed and constituted a civil code violation and that the person cited is liable as a person responsible for code compliance.

F. Imposition of a civil fine creates a joint and several personal obligation in all persons responsible for

code compliance who are served with the citation. The prosecuting attorney on behalf of King County may collect the civil fines assessed by any appropriate legal means.

G. Issuance of a citation in no way limits a director's authority to issue a notice and order or stop work order to the same person responsible for code compliance pursuant to this title. Payment of the civil fine assessed under the citation does not relieve a person responsible for code compliance of his or her duty to correct the violation or to pay any and all civil penalties accruing under a notice and order or stop work order issued pursuant to this title.

SECTION 147. Ordinance 13263, Section 17, as amended, and K.C.C. 23.20.030 are each hereby amended to read as follows:

A citation shall contain the following:

- A. A reasonable description of the location of the property on which the violation occurred;
- B. The name and address of the person responsible for code compliance;
- C. A brief description of the violation or violations found;
- D. A statement of the specific ordinance, resolution, regulation, public rule, permit condition, notice and order provision, or stop work order provision that was violated;
- E. The date that the citation was served;
- F. A statement that the citation represents a determination that a civil code violation has occurred and that the person cited is subject to civil fines;
- G. A statement of the amount of the civil fine assessed;
- H. A statement of the options provided in this title for responding to the citation and the procedures necessary to exercise these options;
- I. A statement that, at any hearing to contest the determination that a civil code violation has occurred, the county has the burden of proving, by a preponderance of the evidence, that the violation was committed;
- J. A statement that, at any hearing requested for the purpose of explaining mitigating circumstances

surrounding the commission of the violation, the person cited will be deemed to have committed the violation;

K. A statement that the person cited must respond to the citation as provided in this chapter within ((~~fourteen~~)) seventeen days;

L. A statement that failure to respond to the citation or to appear at a requested hearing renders the citation a final determination that the conditions described in the citation existed and constituted a civil code violation and that the person cited is liable as a person responsible for code compliance;

M. A statement advising that a failure to respond to the citation or appear at a requested hearing may be referred to the prosecuting attorney for prosecution; and

N. A statement, made under penalty of perjury as provided in RCW 9A.72.085, setting forth facts supporting issuance of the citation.

SECTION 148. Ordinance 16278, Section 16, and K.C.C. 23.20.060 are each hereby amended to read as follows:

A. A person issued a citation must respond within ((~~fourteen~~)) seventeen days after service of the citation in one of the following ways:

1. If the person issued the citation does not contest the determination, the person shall pay the amount of the civil penalty plus cleanup restitution payment, if applicable, specified in the citation. The record shall show a finding that the person cited is the person responsible for code compliance.

2. If the person issued the citation does not contest the determination, but wishes to explain the circumstances surrounding the commission of the violation, the person shall request in writing a mitigation hearing and provide a mailing address to which notice of the hearing may be sent; or

3. If the person issued the citation wishes to contest the determination that a violation occurred or that the person issued the citation is responsible for the violation, the person shall request in writing a contested hearing and provide a mailing address to which notice of the hearing may be sent.

B. The person issued the citation shall respond to the citation by mail to the address provided on the

citation. The response shall be postmarked not later than ((~~fourteen~~)) seventeen days after the date the citation was served.

C. If a person fails to respond to a citation within ((~~fourteen~~)) seventeen days, the person shall be deemed to have committed the violation stated in the citation. The department may assess the penalty and restitution payment specified in the citation.

SECTION 149. Ordinance 16278, Section 18, and K.C.C. 23.20.080 are each hereby amended to read as follows:

A. If a person requests a hearing in response to a citation to contest the finding that a violation occurred or to contest that the person issued the citation is responsible for the violation, the department shall notify the hearing examiner that a contested hearing has been requested. The office of the hearing examiner shall:

1. Schedule a hearing to be held within sixty days after the department provides notice of the request; and
2. At least twenty days before the date of the hearing, provide notice of the time, place and date of the hearing by first class mail to the address provided in the request for hearing.

B. Except as otherwise provided in this section, contested hearings shall be conducted pursuant to K.C.C. ((~~20.24.170~~)) chapter 20.xx (the new chapter created under section 2 of this ordinance) and the rules of procedure of the ((~~King County~~)) hearing examiner. The hearing examiner may issue subpoenas for witnesses and order limited discovery. The requirements ((~~of K.C.C. 20.24.145~~)) relating to ((~~pre-hearing~~)) prehearing conferences do not apply to the contested hearing.

C. If the rights of the alleged violator to receive notice that meets due process requirements are not prejudiced:

1. A citation shall not be deemed insufficient by reason of formal defects or imperfections, including a failure to contain a detailed statement of the facts constituting the specific violation which the person cited is alleged to have committed; and

2. A citation may be amended prior to the conclusion of the hearing so as to conform to the evidence presented.

D. The burden of proof is on the county to establish by a preponderance of the evidence that the violation was committed. The hearing examiner shall consider the citation and any other written report made as provided in RCW 9A.72.085, submitted by the person who issued the citation or whose written statement was the basis for the issuance of the citation in lieu of that person's personal appearance at the hearing as prima facie evidence that a violation occurred and that the person cited is responsible. The statement and any other evidence accompanying the report shall be admissible without further evidentiary foundation. Any additional certification or declarations authorized under RCW 9A.72.085 shall also be admissible without further evidentiary foundation. The person cited may rebut the evidence and establish that the violation did not occur or that the person contesting the citation is not responsible for the violation.

E. If the citation is sustained at the hearing, the hearing examiner shall enter an order finding that the person cited committed the violation. If an ongoing violation remains uncorrected, the hearing examiner shall impose the applicable penalty. The hearing examiner may reduce the penalty as provided in K.C.C. 23.20.070 if the violation has been corrected. If the hearing examiner finds by a preponderance of the evidence that the violation did not occur, an order shall be entered dismissing the citation.

F. The hearing examiner's decision (~~((is a final agency action))~~) shall be final and conclusive unless an appeal is timely filed with the appropriate court or tribunal.

G. A cited person's failure to appear for a scheduled hearing shall result in an order being entered that the person cited is the person responsible for code compliance and assessing the applicable civil penalty and if applicable, cleanup restitution payment.

SECTION 150. Ordinance 13263, Section 21, as amended, and K.C.C. 23.24.020 are each hereby amended to read as follows:

A. Subject to the appeal provisions of K.C.C. chapter 23.36, a notice and order represents a

determination that a civil code violation has been committed, that the person cited is a person responsible for code compliance, and that the violations set out in the notice and order require the assessment of penalties and costs and other remedies including cleanup restitution payment, if applicable, specified in the notice and order.

B. Failure to correct the civil code violation in the manner prescribed by the notice and order subjects the person to whom the notice and order is directed to the use of any of the compliance remedies provided by this title, including:

1. Additional civil penalties and costs;
2. A requirement that abatement, remediation or mitigation be performed;
3. An agreement to perform community service as prescribed by this chapter;
4. Permit suspension, revocation, modification or denial as prescribed by this chapter; or
5. Abatement by a director and recovery of the costs of abatement according to the procedures

described in this chapter.

C. Any person identified in the notice and order as responsible for code compliance may appeal the notice and order (~~within fourteen days~~) according to the procedures in K.C.C. chapter 23.36.

D. Failure to appeal the notice and order within the applicable time limits shall render the notice and order a final determination that the conditions described in the notice and order existed and constituted a civil code violation, and that the named party is liable as a person responsible for code compliance.

E. Issuance of a notice and order in no way limits a director's authority to issue a citation or stop work order to a person previously cited through the notice and order process pursuant to this title. Payment of the civil penalties assessed under the notice and order does not relieve a person found to be responsible for code compliance of his or her duty to correct the violation and/or to pay any and all civil fines or penalties accruing under citations or stop work orders issued pursuant to this title.

SECTION 151. Ordinance 13263, Section 22, as amended and K.C.C. 23.24.030 are each hereby amended to read as follows:

The notice and order shall contain the following information:

- A. The address, when available, or location of the civil code violation;
- B. A legal description of the real property or the King County tax parcel number where the violation occurred or is located, or a description identifying the property by commonly used locators;
- C. A statement that the director has found the named person to have committed a civil code violation and a brief description of the violation or violations found;
- D. A statement of the specific provisions of the ordinance, resolution, regulation, public rule, permit condition, notice and order provision or stop work order that was or is being violated;
- E. The dollar amount of the civil penalty per separate violation;
- F. A statement advising that any costs of enforcement that exceed the amount of the penalty may also be assessed against the person to whom the notice and order is directed;
- G. A statement advising that the notice and order will be recorded against the property in the records and licensing services division subsequent to service;
- H. A statement of the corrective or abatement action required to be taken and that all required permits to perform the corrective action must be obtained from the proper issuing agency;
- I. A statement advising that, if any required work is not commenced or completed within the time specified by the notice and order, a director may proceed to abate the violation and cause the work to be done and charge the costs thereof as a lien against the property and as a joint and several personal obligation of any persons responsible for code compliance;
- J. A statement advising that, if any assessed penalty, fee or cost is not paid on or before the due date, a director may charge the unpaid amount as a lien against the property where the civil code violation occurred if owned by a person responsible for code compliance and as a joint and several personal obligation of all persons responsible for code compliance;
- K. A statement advising that any person named in the notice and order or having any record or

equitable title in the property against which the notice and order is recorded may appeal from the notice and order to the hearing examiner within (~~fourteen~~) twenty-four days of the date of service of the notice and order;

L. A statement advising that a failure to correct the violations cited in the notice and order could lead to the denial of subsequent King County permit applications on the subject property;

M. A statement advising that a failure to appeal the notice and order within the applicable time limits renders the notice and order a final determination that the conditions described in the notice and order existed and constituted a civil code violation, and that the named party is liable as a person responsible for code compliance; and

N. A statement advising the person responsible for code compliance of his or her duty to notify the director of any actions taken to achieve compliance with the notice and order.

SECTION 152. Ordinance 13263, Section 29, as amended, and K.C.C. 23.24.100 are each hereby amended to read as follows:

A. A director may suspend, revoke or limit any permit issued by that director whenever:

1. The permit holder has committed a code violation in the course of performing activities subject to that permit;

2. The permit holder has interfered with a director in the performance of his or her duties relating to that permit;

3. The permit was issued in error or on the basis of materially incorrect information supplied to the county;

4. Permit fees or costs were paid to the county by check and returned from a financial institution marked nonsufficient funds (NSF) or canceled;

5. For a permit or approval that is subject to critical areas review, the applicant has failed to disclose a change of circumstances on the development proposal site which materially affects an applicant's ability to meet the permit or approval conditions or which makes inaccurate the critical areas study that was the basis for

establishing permit or approval conditions; or

6. For a permit or approval for which fees that have been billed are sixty days or more past due. If the applicant has filed a timely written notice for a fee waiver under K.C.C. 27.02.040, the permit shall not be suspended, revoked or otherwise limited under this subsection A.6, until at least ~~((fourteen))~~ seventeen days after the fee waiver decision has been issued.

B. A suspension, revocation or modification authorized by subsection A, of this section shall be carried out through the notice and order provisions of this chapter and shall be effective upon the compliance date established by the notice and order. The revocation, suspension or cancellation may be appealed to the hearing examiner using the appeal provisions of this title.

C. Notwithstanding any other provision of this title, a director may immediately suspend operations under any permit by issuing a stop work order pursuant to K.C.C. chapter 23.28.

SECTION 153. Ordinance 13263, Section 41, as amended, and K.C.C. 23.32.050 are each hereby amended to read as follows:

A. The invoice for newly assessed civil penalties imposed under this title shall include a statement advising the person responsible for code compliance that there is a right, within twenty-~~((one))~~ four days from service of the invoice, to request a waiver from the director of some or all of the penalties.

B. Civil penalties, in whole or in part, may be waived or reimbursed to the payer by the director, with the concurrence of the director of the department of executive services, under the following circumstances:

1. The citation, notice and order, notice of noncompliance or stop work order was issued in error;
2. The civil penalties were assessed in error; or
3. Notice failed to reach the property owner due to unusual circumstances.

C. Civil penalties, in whole or in part, may be waived by the director, with the concurrence of the director of the department of executive services or its successor agency, under the following circumstances:

1. The code violations have been cured under a voluntary compliance agreement;

2. The code violations which formed the basis for the civil penalties have been cured, and the director finds that compelling reasons justify waiver of all or part of the outstanding civil penalties; or

3. Other information warranting waiver has been presented to the director since the citation, notice and order, notice of noncompliance, stop work order or newly assessed penalty invoice was issued.

D. In cases where additional penalties may be assessed and liens issued, or where compliance or other factors may provide a later ground for waiver, the director may postpone consideration of the waiver request. New penalties may be assessed as warranted, but interest shall not accrue on, and collection shall not be pursued for, penalties subject to a pending waiver request.

E. When the director reaches a final determination on a waiver request, the department shall provide a written decision to the person filing the waiver request, either in person or by mail. The written decision shall inform the person of the right to appeal the waiver decision and shall provide notice of the appeal deadlines and requirements established in this chapter.

F. The director shall document the circumstances under which a decision was made to waive penalties and such a statement shall become part of the public record unless privileged.

SECTION 154. Ordinance 17191, Section 55, as amended, and K.C.C. 23.32.100 are each hereby amended to read as follows:

A. A person who filed a penalty waiver request under K.C.C. 23.32.050 may appeal the director's decision denying all or a portion of the request waiver.
