BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. Findings: For the purposes of effective land use and subarea planning and regulation, the King County council makes the following legislative findings:

- A. King County adopted the 2016 King County Comprehensive Plan via Ordinance 18472 to meet the requirements of the Washington State Growth Management Act ("the GMA");
- B. The 2016 King County Comprehensive Plan adopted program direction for a new Community Service Area subarea planning program;
- C. As adopted in the 2016 King County Comprehensive Plan, Vashon-Maury Island is one of King County's seven Community Service Areas and the plan schedule in Chapter 11 identifies the Vashon-Maury Island Community Service Area Subarea Plan as being developed in 2016;
- D. The Vashon Community Plan, adopted in 1986 by Ordinance 7837, as amended, was a plan to guide

growth and development across all of Vashon-Maury Island. Ordinance 7837 was repealed by Ordinance 13273 and, while some of its policies were retained in the Comprehensive Plan, resulted in the majority of Vashon-Maury Island not having an active subarea plan;

E. The Vashon Town Plan, adopted in 1996 by Ordinance 12395, is an active subarea plan to guide growth, design and development in the Rural Town of Vashon. Many elements and policies of this plan are outdated and require updating;

F. The King County council directed in Attachment A to Motion 14351 that the executive prepare an update to the 1996 Vashon Town Plan and incorporate the update into the Comprehensive Plan;

G. After assessing the status of and need for a long-range, island-wide subarea plan as directed in the Comprehensive Plan, the county determined that the Community Service Area subarea plan would address both the Vashon Rural Town and all other areas of the island;

H. The GMA and the King County Code authorize adoption of comprehensive plans updates once per year;

I. The GMA requires that King County adopt development regulations to be consistent with and implement the Comprehensive Plan; and

J. The changes to policies, development regulations, land use designations and zoning classifications contained in this ordinance are needed to maintain conformity with the 2016 King County Comprehensive Plan. They bear a substantial relationship to, and are necessary for, the public health, safety and general welfare of King County and its residents.

SECTION 2. Ordinance 263, Article 2, Section 1, as amended, is hereby recodified as K.C.C. 20.12.010.

SECTION 3. Ordinance 263, Article 2, Section 1, as amended, as recodified by this ordinance, is hereby amended to read as follows:

Management Act, chapter 36.70A RCW, King County adopted the 1994 King County Comprehensive Plan ((is adopted)) via Ordinance 11575 and declared it to be the Comprehensive Plan for King County until amended, repealed or superseded.
