Clerk 02/26/2019

A MOTION authorizing the chair to enter into a contract for professional services to conduct extended scoping for the Lower Green River Corridor Flood Hazard Management Plan programmatic environmental impact statement.

WHEREAS, Resolution 2016-05.2 expressed the District's desire to move forward with a Lower Green River Corridor Plan and State Environmental Policy Act programmatic environmental impact statement, and

WHEREAS, the District Executive Director extended the public comment period for scoping the programmatic environmental impact statement in order to provide additional opportunities for public comment, and

WHEREAS, the public scoping period is currently underway and requires timely professional services to conduct extended outreach and to prepare a public comment summary report, and

WHEREAS, Parametrix is available to perform the services needed by the District for extended scoping, and

WHEREAS, Parametrix previously responded to the request for proposal issued by the District in 2016, was interviewed by the District in 2017, and is qualified to perform the services desired by the District, and

WHEREAS, the Executive Committee has reviewed and recommended the scope of work and budget to be performed by Parametrix;

NOW, THEREFORE, BE IT RESOLVED BY THE EXECUTIVE COMMITTEE OF THE KING COUNTY FLOOD DISTRICT:

SECTION 1. The chair of the King County Flood Control Zone District is authorized to enter into an

agreement with Parametrix to conduct programmatic environmental impact statement extended scoping services. The contract is contained in Attachment A to this motion.

SECTION 2. For purposes of this contract the Executive Committee authorizes a contract budget not to exceed a total of \$94,027.83.

SECTION 3. The Executive Director is further authorized to negotiate a separate contract with Parametrix for professional services to prepare a draft programmatic environmental impact statement for the Lower Green River Corridor Flood Hazard Management Plan programmatic environmental impact statement.
