2. K.C.C. 4A.100.0130 requires each county agency to include its capital projects in a six-year capital improvement program ("CIP") for the fiscal period and the next fiscal periods.
3. In conjunction with the 2021-2022 biennial budget process, the road services division of the department of local services prepared and the council adopted the road services division's six-year CIP for 2021-2026.
4. RCW 36.81.121 requires that before the adoption of a roads division budget, the council must adopt a comprehensive transportation program for the next ensuing six calendar years.
