A MOTION approving the report, King County Strategic Technology Plan 2009-2012.

WHEREAS, the office of information resource management has the duty under K.C.C. 2.16.0755.B.7. and 2.16.0757.A. to identify and establish short-range, mid-range and long-range objectives for information technology investments in the county and to prepare and recommend for council approval a county information technology strategic plan, and

WHEREAS, an updated 2009-2012 draft of the plan was developed with input from governance members, and

WHEREAS, the draft version of the plan was shared with the Strategic Advisory Council based on governance members' input and feedback, and

WHEREAS, on September 11, 2009, the strategic advisory council endorsed the plan after agreeing that language contained in the prior plan regarding operational autonomy would remain in the plan, and

WHEREAS, the refreshed plan builds on prior strategic technology plans, and the vision, goals and guiding principles have remained unchanged in the updated plan, and

WHEREAS, the strategies and objectives in the previous plan have been updated to reflect newly evolving business needs and technologies as well as completion of previous plan strategies and objectives;

NOW, THEREFORE, BE IT MOVED by the Council of King County:

The report, King County Strategic Technology Plan 2009-2012, Attachment A to this motion, is hereby approved.
